When I Am Weak Bethany Slom, 2019-06-10 Are you struggling with finding your inner strength while others around you preach the importance of self empowerment You ve read all the self help books you ve worked really hard to do better and to live your best life but somehow you keep failing Whether it s personal weakness in falling short or weakness in mourning a tragedy we all struggle with weakness in our lives but it is not up to us to find our own strength When I Am Weak is a book about finding strength in Christ despite our weaknesses It is designed to change our perspective from self empowerment to God empowerment in which we no longer need to rely on ourselves for strength when Christ freely gives it In this book I will share parts of my story my weaknesses my hardships and God s strength through it all in hopes that you will see how truly amazing our God is I pray that through reading this book you will discover the freedom that comes from complete surrender to Christ the strength that comes from living through Christ and the joy that comes from seeking him first So when you look at your life you can confidently say when I am weak he is strong Incest Anaïs Nin, 1993-09-16 The trailblazing memoirist and author of *Henry June* recounts her relationships with Henry Miller and others including her own father Ana s Nin wrote in her uncensored diaries like they were a broad minded confidante with whom she shared the liberating psychosexual dramas of her life In this continuation of her notorious *Henry June* she recounts a particularly turbulent period between 1932 and 1934 and the men who dominated it her protective husband her therapist and the poet Antonin Artaud However most consuming of all is novelist Henry Miller a man whose genius said Ana s was so demonic it could drive people insane Here too recounted in extraordinary detail is the sexual affair she had with her father At once loving exciting and vengeful it was the ultimate social transgression for which Ana s would eventually seek absolution from her analysts Before Lena Dunham there was Ana s Nin Like Dunham she s been accused of narcissism sociopathy and sexual perversion time and again Yet even that comparison undercuts the strangeness and bravery of her work for Nin was the first of her kind And like all truly unique talents she was worshipped by some hated by many and misunderstood by most A woman who d spent decades on the bleeding edge of American intellectual life a woman who had been a respected colleague of male writers who pushed the boundaries of acceptable sex writing Like many great experimentalists she wrote for a world that did not yet exist and so helped to bring it into being *The Guardian* Includes an introduction by Rupert Pole
