Tell The Truth Sue Unerman, Jonathan Salem Baskin, 2012-04-03 Truth is a powerful marketing tool and really the only way to promote a message and brand effectively Truth in advertising has long been something to ignore or at least downplay The role of advertising has been to position and manipulate brands to convince consumers that they're imbued with qualities they don't necessarily possess or

presume to tell them which ones matter It worked when the brand's voice was the only voice but with the rise of social media that era is over Marketers have focused their messages on entertainment creating funny or engaging campaigns that win awards but don't always sell products Consumers determine what's true and smart companies have realized that every communications medium can and will be used to contribute to those conclusions In *Tell the Truth* Jonathan Baskin and Sue Unerman look at the content and context of marketing communications They provide the research of hundreds of companies and in depth case studies on more than 50 global brands to show us that truthful brands deliver sales profits and sustainable relationships Truth truly yields true competitive advantage
