Web Of Love:

Web of Love Nora Arjuna, 2013-06 *Web of Love* a true to life novel takes place in the tiny culturally rich country of Malaysia in Southeast Asia It is a tapestry woven of love family relation and close friendship Its warmth delights conventional hearts its romance stirs quiescent senses Its journey to a perfect ending is laced with the right amount of thrills and painful moments enriched by Asian culture and shaped by a certain degree of religious upbringing *Web of Love* shows love and affection ensnared between three male cousins and two female friends It disentangles the intricate situation while carefully upholding faith and relationship values among the players and their families as a whole It is about claiming one's right to love and making clear that genuine happiness can only be obtained by being true to one's heart While being absorbed in the bittersweet voyage of romance let your heart be teased and carried away by interleaved poetic verses out of author's own musing where suppressed emotions are set free

Web of Love Mary Balogh, 2007-06-26 BONUS This edition contains an excerpt from Mary Balogh's *The Secret Mistress* New York Times bestselling author Mary Balogh brilliantly captures the passionate conflict of a woman caught between two loves in this classic tale of friendship devotion intrigue and a love that is the most seductive trap of all He'd served with her husband on the battlefield and secretly desired her for years Yet for Dominic Lieutenant Lord Eden Ellen Simpson has remained tantalizingly out of reach until she is widowed by the war Suddenly pursued by the dangerously handsome nobleman Ellen is stunned by the depth of attraction he arouses in her Soon their friendship flames into something deeper and as scandal ignites marriage seems the only solution But Ellen has a secret one she can share with no one that prevents her from fully opening her heart to Dominic Until he devises his own plan for the ultimate consummation of their passion and the woman he is determined to possess at any cost

Tangled Web Of Love Joanne Rawson, 2017-05-18 Faith formed a unique relationship with her boyfriend Paul They liked their independence doing what they wanted without consulting the other and they had never said those three significant words I love you which none of their friends or family could quite understand However there is one complication in their relationship Paul's snobbish father who thought Faith an unsuitable lady friend for his son In fear that his son would marry Faith and interbreed he demanded Paul stop seeing her When Paul suddenly does a disappearing act Faith decides whatever it was between her and Paul was over He could come back on bended knee begging and kicking but there wasn't a chance in hell this time they would get back together However when Paul returns unannounced he finds Faith in the arms of another man What happens next is a tangled web of double dating secrecy sexual favours and betrayal
