Lies My Teacher Told Me James W. Loewen, 2018-07-17 Every teacher every student of history every citizen should read this book It is both a refreshing antidote to what has passed for history in our educational system and a one volume education in itself Howard Zinn A new edition of the national bestseller and American Book Award winner with a new preface by the author Since its first publication in 1995 *Lies My Teacher Told Me* has become one of the most important and successful history books of our time Having sold nearly two million copies the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti Racist Scholarship and was heralded on the front page of the New York Times For this new edition Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems and calls out academic historians for abandoning the concept of truth in a misguided effort to be objective What started out as a survey of the twelve leading American history textbooks has ended up being what the San Francisco Chronicle calls an extremely convincing plea for truth in education In *Lies My Teacher Told Me* James W Loewen brings history alive in all its complexity and ambiguity Beginning with pre Columbian history and ranging over characters and events as diverse as Reconstruction Helen Keller the first Thanksgiving the My Lai massacre 9 11 and the Iraq War Loewen offers an eye opening critique of existing textbooks and a wonderful retelling of American history as it should and could be taught to American students

Rouen Chronicles Books 1-6 Raven Steele, Ava Mason, 2022-11-30 Karma takes too long I d rather beat the shit out of you right now With a dagger in her boot and blades in her bra Briar a powerful shifter arrives in Rouen with one goal find and kill Dominic the man responsible for the destruction of her entire family and wolf pack When she discovers he is an Alpha surrounded by muscle ripped shifters and equally as strong witches she knows the only way she will get close enough to kill him is if she joins his dangerous and shady pack But infiltrating them proves more challenging than she expects especially when her new roommates are supernaturals with their own powers and secrets She can t tell if the centuries old nosey vampire and fashion sensitive witch are working with her or against her Whether they are friends or enemies doesn t change things Briar has a job to do And she is willing to do whatever it takes to quench her thirst for revenge even if it means destroying her own soul In this full length urban fantasy trilogy Steele and Mason introduce readers to a dark and exciting world full of shifters vampires and witches If you like Charlaine Harris Patricia Briggs Shayne Silvers or K F Breene you will LOVE this new series Scroll up and grab this gritty urban fantasy TODAY Did someone say gritty Game on These are the type of characters that make you wince at their raw pain at the same time you want to cheer them on in their search for justice Amazon Customer This book was spectacular It s one of those that makes it really hard to go to sleep at a decent time if you haven t finished it yet Amazon Customer This is now my favorite series The characters are so well developed that it s hard to believe they aren t real people No character is perfect and each has their flaws and issues The story flows seamlessly and this is definitely not a book you will be able to
