Purpose of Life His Little Pregnant Mate: Book 3 Pakhi Das,2021-06-01 COMPLETED David Grimwald is a 21 old alpha of Blue Hounds Pack Even though he is 21 he didn't find his destined mate yet and waiting for her patiently Until one day he finds a rogue girl in the middle of the forest near the border of his territory He immediately realizes that this petite little girl is his mate But what was she doing there What is she running away from Mila is a little 18 year old orphan and wolfless slave of Beaufort Wolves Pack She escaped from her pack to avoid the threat on her life But she is not alone She is carrying a baby in her womb along What is the secret behind this baby Why is she running away from her pack in such a condition Who is the father of her child Will David accept her as his mate Will he accept the baby growing inside her Or will they both end up rejected and alone Read the full story to know more Oh baby You have no idea how badly I want to take you up in my room and devour your beautiful body My hands stopped wiping the floor and my head instantly snapped up to my mate whose face is now buried in that girl's neck Their bodies were too close to my comfort What did he just say Did he just offer her to have sex Can't he see me standing here Am I that invisible to him that he is offering another girl to sleep with him right in front of me I felt a part of my heart breaking at his words I know I insisted him to not get physical with me until we make our relationship official but it doesn't mean he is allowed to do that with someone else I am still his mate no matter what position our relationship is in I can see their actions moving towards the direction of the bedroom and I have to stop them before they cross their limits But how Suddenly an idea came into my head I know this is going to earn me some harsh punishment but at least I will keep my mate out of that girl's body this way With this thought I picked up the bucket filled with dirty water and pretended to slip right in front of them pouring all the water right on top of that girl's head What the f ck You bitch What did you do Ewe This is no nasty I have to take a shower right now I'm leaving But I will see you later for this My plan was a success She ran out of there as fast as she can to clean herself and there was finally a satisfied smile on my face in joy Mila Why did you do that I know you did that on purpose My smile vanished when I hear Ralph's angry voice for me I have something important to discuss with you Please meet me at the garden tonight I will be waiting Saying this I started cleaning the excess water of the floor by myself I wanted to talk to him right now but we can't afford to get caught So I offered him to meet me later He didn't say anything further and went to his room angrily Oh goddess Why did I get such a mate who doesn't understand me **Nephilim** David Lucero,2009-10 An Summary of Nephilim Genesis By David Lucero The novel Nephilim Genesis cannot be easily summarized It's a book about friendship faith destiny and discovery But it is so much more than that as well Of course there are main characters Villains heroes supporting characters those are the usual items found in a fiction book There is a plot of course and tons of inspirations But to break down the novel would not do it justice To say that

Alexander Luciano is the main character is just putting him into a role that he doesn't fit easily into. A square peg in a round hole so to speak. The Nephilim themselves are not easily described either. If you take the literal translations of them from the Old Testament then they were giants born of mortal women who had been seduced by fallen angels. But they were briefly mentioned almost impossible to spot if you're not looking for them and that leaves a vast amount of room for interpretation. I prefer to think of Nephilim as sons and daughters that yes were half human half angels but also much more than that. They were influential giants not in the literal sense but metaphorically much as some people are giants of industry. These are not literally tall men or women they are people that have shaped our commercial and financial institutions. They are individuals that have formed the basis of our society in such a way that we look up to them in reverence. So to say Nephilim are in that vein might be more accurate. They are giants of destiny if you will leaders and warriors and thinkers. They are people that have walked with the gods and kept stride. They are idols and icons. Does that mean that I think Alexander Luciano is an icon? Yes in a sense. He is what I wish I could be not because he is almost supernatural but because he has discovered his destiny and has embraced it with all his heart and soul. He is a shining example of what I would like to be. He is an angel true but he is still only a man. The novel Nephilim Genesis was a long work in progress. I wrote several drafts went through so many new characters and new plots that I can't even remember all of them. It was crafted not written and I'm very proud of it. The characters in the book Avatar Sage Epic Arcadia Magus and Kheiron are not just the characters I created for the book they are characters that grew out of friendship faith and dedication. I didn't write them they came to life and I merely translated them onto the written page. Like so many stories in existence there is sadness happiness pain and joy in this novel. Some of it was my idea some of it was not. And I don't mean that I took other people's ideas but merely that the story became what it is because I was open to the possibility that this story was not entirely something I could create. I let the story go where it wanted to go and I just tried to type fast enough to keep up. Alexander Luciano is a caring young man but stubborn. He is a successful businessman. He is a son a lover a fighter. He is strong brave and a quick thinker. I am not any of these things entirely but he is me. He is the idol I look up to. He is the giant in my storytelling. But all of the characters are important to me. Some of them were so easy to come up with it was like a thunderbolt to my brain when I realized I was stupid for never thinking of them before. Some of them crept in and came to life and I never saw them coming. If and when you read the novel I hope you find your own giant to look up to. Someone you wish you could be. It might not be Alexander Luciano it might
