We Can Work It Out Resolving Conflicts Peacefully And Powerfully:

We Can Work It Out Marshall B. Rosenberg, 2004-09-01 The tenets of Nonviolent Communication are applied to a variety of settings including the classroom and the home in these booklets on how to resolve conflict peacefully Illustrative exercises sample stories and role playing activities offer the opportunity for self evaluation discovery and application Applying the Nonviolent Communication NVC process to conflict resolution inspires peaceful collaboration by focusing on the unmet needs that lie at the root of any given conflict Practical techniques help mediators and participants to find the heart of the conflict and use genuine cooperation to reach resolutions that meet everyone's needs We Can Work it Out Marshall B. Rosenberg, 2003

Nonviolent Communication: A Language of Life Marshall B. Rosenberg, Deepak Chopra, 2015-09-01 5 000 000 COPIES SOLD WORLDWIDE TRANSLATED IN MORE THAN 35 LANGUAGES What is Violent Communication If violent means acting in ways that result in hurt or harm then much of how we communicate judging others bullying having racial bias blaming finger pointing discriminating speaking without listening criticizing others or ourselves name calling reacting when angry using political rhetoric being defensive or judging who's good bad or what's right wrong with people could indeed be called violent communication What is Nonviolent Communication Nonviolent Communication is the integration of four things Consciousness a set of principles that support living a life of compassion collaboration courage and authenticity Language understanding how words contribute to connection or distance Communication knowing how to ask for what we want how to hear others even in disagreement and how to move toward solutions that work for all Means of influence sharing power with others rather than using power over others Nonviolent Communication serves our desire to do three things Increase our ability to live with choice meaning and connection Connect empathically with self and others to have more satisfying relationships Sharing of resources so everyone is able to benefit

Dementia Together Pati Bielak-Smith, 2020-01-01 Winner of two 2021 IBPA Gold Benjamin Franklin Awards for Self Help and for Psychology Dementia is an illness that causes no physical pain But just ask anyone who cares about someone with Alzheimer's or another dementia if their heart isn't aching The pain in dementia comes from feeling hopeless alone or disconnected from loved ones but a broken relationship can be healed This book is for family members and friends for spouses caregivers and those who simply care It outlines a path to a life with dementia that includes more life and less illness With imagination compassion empathy and quiet humor the real life stories in Dementia Together show you how to build a healthy dementia relationship Because there are ways to communicate that result in greater capacity to receive as well as to provide both warm connection and practical collaboration Living with dementia gives everyone an opportunity to grow their hearts bigger This book shows you how

Creating a Culture of Collaboration Sandy Schuman, 2006-09-18 Collaboration is often viewed as a one time or project oriented activity An increasing challenge is to help organizations incorporate collaborative values and practices in their everyday ways of working In Creating a Culture of Collaboration an international group of practitioners and researchers

from Australia Belgium Canada Chile New Zealand Northern Ireland United Kingdom and the United States provide proven approaches to creating a culture of collaboration within and among groups organizations communities and societies

Welcoming Strangers Andrew Fitz-Gibbon, Jane Hall Fitz-Gibbon, 2017-09-08 Jane Hall Fitz Gibbon and Andrew Fitz Gibbon have cared for more than 100 children in a foster care career spanning more than three decades They developed a method loving nonviolent re parenting to best care for foster children Re parenting represents the complex task of caring for children who have been parented already often inadequately and mostly involving physical emotional and or systemic violence Welcoming Strangers analyses the violence foster children suffer and raises ethical questions why violence is morally problematic what philosophers have said about human nature and violence and what moral good should be pursued in childcare Drawing on an ancient form of ethics sometimes known as virtue ethics this book focuses on the traits required to become a loving nonviolent re parent The Fitz Gibbons tell of their journey in the foster care system with candour humour and grace Covering subjects as diverse as teens sex discipline and the carer s own well being they describe the difficulties of foster care and the sometimes impossible task of restoring dignity and joy to young lives deeply damaged by violence This book will be of immense help to foster carers adopters caseworkers case managers policymakers and any parent who wants to integrate nonviolent practices into the way they care for children

Anarchism and Moral Philosophy B. Franks, M. Wilson, 2010-12-14 This collection explores the nature and role of ethics within anarchist thought and practice examining normative meta ethical and applied ethical issues through some of the theoretical insights of anarchism It comprises contributions from international scholars working within the fields of philosophy and political theory

Corporal Punishment, Religion, and United States Public Schools Jane Hall Fitz-Gibbon, 2017-06-27 This book examines corporal punishment in United States public schools The practice which is still legal in nineteen states affects approximately a quarter million children each year Justification for the use of physical punishment is often based on religious texts Rather than simply disregarding the importance of religious commitment this volume presents an alternative faith based response The book suggests the hermeneutical triad of sacred text tradition and reason as an acceptable approach for those seeking to be faithful to religious text and tradition

The Healing Power of Empathy Mary Goyer, 2019-05-01 Empathy is an essential leadership skill and a cornerstone of good relationships but it can be hard to access when it s most needed Luckily empathy is also a learnable skill with the power to move conversations out of gridlock and pain With mindfulness empathy has deescalated conflicts combated loneliness and built human connections in the most unlikely places With this book readers will learn how anger and blame get translated and productive dialogues made possible how to repair arguments before they cause damage and how self empathy transforms relationships With more than 70 stories collected from Nonviolent Communication trainers and practitioners around the world readers will encounter new ways to talk to the people in their lives and learn techniques for empathizing with one s self and with others at home at work and in the community
