The Modoc War Robert Aquinas McNally, 2017-11 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America s peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872 73 one of the nation s costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the

desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country s past
