Indiscipline Alicia Carroll, 2024 In the last few years there have been myriad media reports regarding Federal Indian boarding schools and their grisly history of violence and cultural erasure against Native people in the United States The US government recently acknowledged its role for the first time with the Department of the Interior's publication of the Federal Indian Boarding School Initiative Investigative Report In this book Alicia Carroll tells the history of one form of literary Native resistance to this violence that of the collaboratively written autobiography Focusing on work by Hopi boarding school residents Carroll shows readers that collaborative autobiographical authorship is a practice of Indigenous intellectual sovereignty using a method they dub indiscipline a strategy of defying refusing or purposefully failing to follow mandates to conform to settler colonial sex and gender norms including heteronormativity the binary construct of sex and gender and the idea of personhood itself Through collaboratively written autobiography Carroll argues that Native authors not only resisted colonial attempts to use sex and gender to alienate them from their homelands and bodies they created an important Indigenous literary genre that informs our understanding of Native life and art today

Erotic Revolutionaries Shayne Lee, 2010-08-04 Why is there no pro sex contingency in black feminist scholarship Why do so few African American scholars expound on issues celebrating female sexual pleasure Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability and its rein on black sexual politics In *Erotic Revolutionaries Black Women Sexuality and Popular Culture* sociologist Shayne Lee steers black sexual politics toward a more sex positive trajectory Introducing feminist analysis to a conceptual ménage à trois of scripting theory media representation and black sexual politics Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic Lee portrays black female celebrities like Janet Jackson Beyoncé Karrine Steffans Zane Tyra Banks Juanita Bynum Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism third wave feminism and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative politically subversive and stylistically chic

Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning horror has been part of the cinema landscape Despite some of the earliest genre films with gay directors such as F W Murnau *Nosferatu* and James Whale *Frankenstein* *The Invisible Man* *Bride of Frankenstein* LGBTQIA characters have rarely been portrayed in full view For decades filmmakers have included coded content in their films with the

homosexual experience translated into censor friendly subtext for consumption by general audiences Gradually LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience s tastes and attitudes Likewise more and more LGBTQIA writers and directors have begun to offer their queer centric takes on scary movies and today queer horror is a thriving film genre With more than 900 entries this critical filmography is a comprehensive critical yet playful examination of the history of LGBTQIA content in horror films Eight journalistic contributors dig into every era of scary movies including the early silents pre and post Hays Code content grindhouse sleaze LGBTQIA indies and megaplex studio releases From Whale s The Old Dark House 1932 to Don Mancini s Chucky films and everything in between this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry
