taken seriously The invocation of both courtly love and romantic love adds emotional significance to the play This edition gives a good introduction with plenty of notes about the proper stage direction Readers who want something light but not frivolous will really enjoy the early Shakespeare About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
