Lyn Kennedy,2019-09-22 Local Physician Mysteriously Murdered The headline caught the attention of everyone at Knotty's a high end hair salon owned by Gary Turner and Gordy Baxter A detective out to prove his worth bumps Gary to the top of the list of suspects just because of a little white lie Gary and his buddy Gordy had dreamed of opening a bed and breakfast as a side business to their bustling cardiology practice but that dream landed flat on its butt when the house they purchased was teeming with termites They lost a pretty penny on that little venture Instead they opened a hair salon Knotty's where Gary is the head stylist It's a time sucking money pit and the murdered doctor agreed to help them out but later reneged forcing Gary to make a secretive deal with an eccentric friend But that friend is mysteriously found dead as well If Gary killed the doctor as well as his friend he would be off the hook for paying them back But Gary is no murderer It's not in his nature Or is it There are suspects aplenty in this murder mystery a bitter ex wife a vengeful ex companion of the male

persuasion and a number of pretty boys the slain doctor called friends Gary and Gordy flipped a coin to decide who would turn the lock Gary won of course with his lucky two headed silver dollar With Gordy right behind him Gary cleared his throat and flipped the switch instantly flooding the room with white lights that twinkled with specks of blue green purple and pink Damn Gary This homage to disco you ve created could cause a stroke I will take that as a compliment Gary retorted continuing to survey his domain That was nearly a year ago Gary and Gordy had talked for years about opening a side business to their bustling careers as cardiologists Gordy thought Gary was crazy when he talked of opening a salon Do you know anything at all about cutting and styling hair Of course I do Well I ve watched Okay I grew up around it Plus I do know what looks good on me he said as he ran his hand through his short styled locks And you know how I love a good hair product With my own salon I can get anything I want wholesale Gordy shook his head but decided to give it a chance Naming the salon caused a bit of a tiff between the lifelong friends Gary wanted to name it Twisting Turner or Baxter s Buns but Gordy preferred something a little more staid like No Fuss Beauty Salon Gordy my man Gary said as he took him by the arm and led him around the sparkly salon with no fuss there is no beauty raising his voice with each syllable Well it s got to have a name Gordy retorted none too happy that his idea had been outright rejected And it has to be sexy stunning and jaw dropping just like me Gary added crossing his arms Brainstorming led to sleepless nights name calling and one time the two friends spent two whole days avoiding each other Finally they decided that since Gary was the face of the salon and the one who had gone to the effort of becoming a stylist the name of the salon would be his choice no matter how tacky Hmm Gary said as he stroked his imaginary goatee I m thinking I m thinking Scissors That s it Scissors He gave Gordy a sneer Blades That sounds like a place to get sliced and diced Coronary cuts You re joking right We re not at the hospital Hmm Gary murmured as he stared out the window Damn it to I ve got it The salon will be named Sassy s a salon experience But Gary that implies that Sassy is a person and the salon was named after that person Hmm so it does so it does Give me another minute Gary s mind was flooded with ideas though many of his ideas were not appropriate for a salon or any other professional establishment I ve got it yes indeedy I do The name of the salon will be Knotty s Underneath the name the words A Cut Above Gordy liked the idea It was naughty in a good way a different spin on the word A Cut Above was the perfect addition to the main name Their salon would be a cut above the rest Gary would demand it And their dream became a reality
