Two Loves For Alex:

Two Loves for Alex Claire Thompson, 2012-11-14 What's love got to do with it? That's what Alex asks herself when two seriously sexy guys invite her to remain with them after a week of intensive training as their sex slave. In this sequel to *Two Masters for Alex*, Alex is tested in ways she never dreamed her submissive boundaries stretched to the breaking point. Liam encourages his lover Daniel to explore his dominant impulses with Alex, confident they can handle the sexy sassy girl who has joined them in their D/s explorations. Neither man is prepared for the conflicting desires stirred by the presence of the passionate young woman in their lives. Strong emotions surface when love and jealousy collide like freight trains, throwing all three into uncharted territory where heartbreaking decisions must be made. *The Wallflower Avant-garde* Brian Glavey, 2016 *The Wallflower Avant Garde* argues for the importance of a strain of modernist formalism based in ekphrasis: the literary imitation of the visual arts. Often associated with a conservative aesthetic of wholeness, permanence, and autonomy, ekphrastic writing also involves excess, failure, and mimesis, conjuring an aesthetic sense of closure and unity out of impossible imitations. This choreography of imitation and autonomy resonates with many of the foundational insights of queer theory: the way it situates identity as an effect of performativity, artifice, and mimesis. Unlike many queer theorists, however, this book insists that we value both the imitations and the aspirations that guide them, underlining not only the illusoriness of identity but also its allure. This more capacious formalism allows aspects of modernists' aesthetic that have seemed regressive or repressive to be read as generative forms of stasis, quiet reserve, shyness, and so on. *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1929 *Unrelenting Love: Alex & Katlin* KaLyn Cooper, 2016-06-22 Would she ever forgive him? Can he forgive himself? As a Marine Raider Commanding Officer, Alex Wolf was haunted not only by what he did and saw but by what he didn't do. In one firefight, he'd lost both his best friends. Ty was killed by enemy fire; Katlin blamed him for not saving her husband. When Katlin suddenly appears back in his life, Alex's entire world turns upside down. She is not the woman he remembers, either as Ty's wife or the woman he once loved in college. Now that destiny has thrown this woman into his arms, he can't let her go again. Can he convince her that they were meant for one another and theirs is a love to last a lifetime? *Unrelenting Love* is the first novel in KaLyn Cooper's Black Swan series, filled with strong heroines and the alpha heroes who dare to capture the heart of a woman warrior. Each romantic suspense features one of the active-duty women secretly trained in SpecOps. If you like action-packed military romance, a second chance at love, and sizzling hot romance, buy *Unrelenting Love* today. *Unending Love: Alex & Katlin* KaLyn Cooper, 2021-05-10 Their life together is not over. He has to believe it or it will be. Alex Wolf gets the call that every man dreads: there's been an accident, and the love of his life is in the hospital. As an active-duty special operations officer, Katlin Callahan has an extremely dangerous job, and she was the best in the world. In peak physical, mental, and emotional health, she took on anything Homeland Security asked of her. Until she's broken. Katlin's traumatic brain injury sets their lives on a roller
