Tyranny Of Niceness Unmasking The Need For Approval

Jessica J Manson

Tyranny Of Niceness Unmasking The Need For Approval:

Tyranny of Niceness Evelyn Sommers,2005-07-02 I've got to stop being so nice How often has Dr Evelyn Sommers heard that from her clients over the years The Tyranny of Niceness identifies and confronts our most fundamental social dysfunction niceness For over 15 years Sommers a Toronto psychologist has treated many twisted lives created by being nice She interweaves the case histories of her clients with her own observations to present a frightening yet hopeful picture of a society that promotes silence and obedience over individuality and honesty Through her stories and analysis we see that letting go of niceness without being rude or uncivil means a new way of relating to others and a new honesty with oneself

The Tyranny of Niceness Evelyn Sommers,2005-07-02 The Tyranny of Niceness identifies and confronts our most fundamental social dysfunction niceness Psychologist Evelyn Sommers identifies and confronts our most fundamental social dysfunction niceness Nice Sharon Hodde Miller,2019-08-20 God never called us to be nice What happens when we replace courage with compromise What happens when we replace honesty with likability What happens when we replace conviction with clichés What happens when we replace discipleship to Christ with a devotion to nice We live in a culture that prizes niceness as one of its highest virtues Niceness keeps the peace wins friends gains influence and serves our reputations well but it also takes the teeth out of our witness and the power out of our faith When we choose to be nice instead of faithful we bear fruits that are bland bitter empty and rotten to the core In this life changing book Sharon Hodde Miller explores the seemingly innocent idol that has crept into our faith and quietly corrupted it producing the bad fruits of cowardice inauthenticity shallowness and more Then she challenges readers to cultivate a better tree providing practical steps to reclaim our credibility as followers of Christ and bear better richer more life giving fruits To Be a Friend David E. Hunt,2010-12-08 In today's busy world we may fail to realize that our need for friendship is as vital and important as our basic needs for food air and water However thanks to the high stress environments people currently live in they are now starting to realize how important friendship is to a healthy and full life This book shows readers how to open the flow of friendship in their lives by learning to be friends It offers activities that have proven helpful to participants in the author's workshops exercises that prompt readers to examine their personal beliefs about friendship and apply them in daily life By following these activities readers discover how to be friends with themselves how to be friends with others and how to strengthen existing friendships Author David Hunt also describes his experiences with learning how to be a friend including his successes and failures *The Price of Nice* Angelina E. Castagno,2019-10-22 How being nice in school and university settings works to reinforce racialized gendered and disability related inequities in education and society Being nice is difficult to critique Niceness is almost always portrayed and felt as a positive quality In schools nice teachers are popular among students parents and administrators And yet Niceness as a distinct set of practices and discourses is not actually good for individuals institutions or communities because of the way it maintains and reinforces educational inequity In *The Price of*

Nice an interdisciplinary group of scholars explores Niceness in educational spaces from elementary schools through higher education to highlight how this seemingly benign quality reinforces structural inequalities Grounded in data personal narrative and theory the chapters show that Niceness as a raced gendered and classed set of behaviors functions both as a shield to save educators from having to do the hard work of dismantling inequity and as a disciplining agent for those who attempt or even consider disrupting structures and ideologies of dominance Contributors Sarah Abuwandi Arizona State U Colin Ben U of Utah Nicholas Bustamante Arizona State U Aidan Amanda J Charles Northern Arizona U Jeremiah Chin Arizona State U Sally Campbell Galman U of Massachusetts Frederick Gooding Jr Texas Christian U Deirdre Judge Tufts U Katie A Lazdowski Rom n Liera U of Southern California Sylvia Mac U of La Verne Lindsey Malcolm Piqueux California Institute of Technology Giselle Martinez Negrette U of Wisconsin Madison Amber Poleviyuma Arizona State U Alexis Richmond Arizona State U Frances J Riemer Northern Arizona U Jessica Sierk St Lawrence U Bailey B Smolarek U of Wisconsin Madison Jessica Solyom Arizona State U Megan Tom Arizona State U Sabina Vaught U of Oklahoma Cynthia Diana Villarreal U of Southern California Kristine T Weatherston Temple U Joseph C Wegwert Northern Arizona U Marguerite Anne Fillion Wilson Binghamton U Jia Hui Stefanie Wong Trinity College Denise Gray Yull Binghamton U

The Price of Nice Amira Barger, 2025-10-28 What s wrong with nice A simple and powerful question It demands we interrogate the unspoken rules that shape our lives often without our realizing it It costs nothing to be nice What a travesty of logic Niceness is not free it comes at a steep price It s a velvet glove over an iron fist stifling dissent prioritizing comfort over progress and conditioning us to accept the status quo Niceness is one of the most insidious social constructs keeping us compliant silent and complicit in inequity If we don t question it we stay exactly where power wants us agreeable easy to manage and stuck The Price of Nice is about breaking free Amira Barger deconstructs our cultural obsession with niceness exposes its hidden costs and offers a practical framework for real change With sharp analysis and personal insight she helps readers disrupt the narratives that keep them stuck and reclaim their power Guided by four dimensions rooted in social psychology think feel do revisit this book offers immediate adaptable practices for creating change Because breaking free isn t only what you know it s what you do next If you re tired of good enough this book will challenge you change you and call you to more The Dundurn Group The Dundurn Group, *Dundurn Spring/Summer 2006 Cat* Dundurn Press Limited, 2006-01-01

The Dundurn Group Bernd Horn, **Counting Our Losses** Darcy L. Harris, 2011-01-19 This text is a valuable resource for clinicians who work with clients dealing with non death nonfinite and ambiguous losses in their lives It explores adjustment to change transition and loss from the perspective of the latest thinking in bereavement theory and research The specific and unique aspects of different types of loss are discussed such as infertility aging chronic illnesses and degenerative conditions divorce and separation immigration adoption loss of beliefs and loss of employment Harris and the contributing authors consider these from an experiential perspective rather than a developmental one in order to focus on the key elements of

each loss as it may be experienced at any point in the lifespan Concepts related to adaptation and coping with loss such as resilience hardiness meaning making and the assumptive world transcendence and post traumatic growth are considered as part of the integration of loss into everyday life experience The British National Bibliography Arthur James Wells,2005
