**Grumpy Old Drivers** Stuart Prebble,2011-12-29 How modern motoring drives

Grumpies to distraction We ve said that Christmas is the worst thing we ve said that working for idiots is the worst thing we ve said that holidays are the worst thing But driving is the worst thing of all It brings together so many of the multitude of

individual elements which combine to make Grumpy Old Men and Grumpy Old Women grumpy It's got queuing at petrol stations on side roads on A roads on motorways at car parks and even at the drive through Very few things make Grumpies more grumpy than queuing It's got being ripped off when you buy a car when you have it serviced when you buy anything for it when anything goes wrong when you put petrol in it when you wash it when you park it when it gets towed away and when some arsehole you've never met bumps into it It's got being pissed about when you want to book it in for a service and when you get to tax it insure it and get the MOT for it and again when you want to sell it And last but not least it's got the most essential ingredient of grumpiness Driving is a triumph of disappointment over expectation When we were kids we thought driving would be the ultimate freedom and all it has turned out to be is a total pain in the tushkin And that is not even mentioning Top sodding Gear
