Good Time Girls of the Alaska-Yukon Gold Rush Lael Morgan, 1999 Morgan offers an authentic and deliciously humorous account of the prostitutes and other disreputable women who were the earliest female pioneers of the Far North At the turn of the century tens of thousands of Americans left their homes escaping a worldwide depression ruthless heartbreakers Cad Wilson French Marie Larose who auctioned herself off as a wife to the highest bidder Edith Neile called the Oregon Mare famous for both her outlandish behavior her soft hearted generosity These good time girls crossed geographic social frontiers finding freedom independence hardship heartbreak sometimes astonishing wealth They were an important part of this key chapter in the history of the West which holds a special place in the American imagination F & S Index United States ,1997 **Wounds of the Heart** Joseph Keely, 2021-02-22 This is for my children and my children's children so that they may know that their father grandfather served his country along with 2 909 918 other men and women in uniform in Vietnam Most of these men and woman remained loyal to their oath as military personnel and served with honor and distinction I want them to know that our efforts and sacrifices were undermined at every turn of the event by the American people the American press and self centered politicians through lies propaganda and treason on a scale so large it was unstoppable And finally forced the government to abandon its troops on the field of battle to fend for ourselves That they may also see the real truth surrounding the Vietnam War and the war that has raged within me these past fifty plus years

These words were engendered by a comment I heard on television It angered me enough to conduct a personal investigation to see if the nine lines written above were just a figment of my imagination or what I felt to be true in my heart This investigation has culminated with mixed feelings It saddens me that what I felt in my heart is true however I am elated that my investigation serves as a vindication of all the Vietnam veterans both men and women who remained loyal to their oath as soldiers sailors airmen and marines I am elated that there is finally a book that countermands the lies and propaganda that have carried on from the 60s to this very day and that it shows the Vietnam veterans as the loyal and honorable men and women they have proven themselves to be **F&S Index International Annual** ,1997
