Broadway in the Box Kelly Kessler, 2020-04-01 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC's comedic fantasy musical series Galavant and the CW's surprise Golden Globe darling Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic Peter Pan airings to Barbra Streisand's 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen **1950s American Style: A Reference Guide (hard cover)** Daniel

Leibman,2010-07-22 With a breadwinner dad a homemaker mom and squeaky clean kids the 1950s television family has achieved near mythological status as a model of what real families ought to be Yet feature films of the period often portrayed families in trouble with parents and children in conflict over appropriate values and behaviors Why were these representations of family apparently so far apart Nina Leibman analyzes many feature films and dozens of TV situation comedy episodes from 1954 to 1963 to find surprising commonalities in their representations of the family Redefining the comedy as a family melodrama she compares film and television depictions of familial power gender roles and economic attitudes Leibman s explorations reveal how themes of guilt deceit manipulation anxiety and disfunctionality that obviously characterize such movies as Rebel without a Cause A Summer Place and Splendor in the Grass also crop up in such TV shows as The Adventures of Ozzie and Harriet Father Knows Best Leave It to Beaver The Donna Reed Show and My Three Sons Drawing on interviews with many of the participants of these productions archival documents and trade journals Leibman sets her discussion within a larger

institutional history of 1950s film and television Her discussions shed new light not only on the reasons for both media's near obsession with family life but also on changes in American society as it reconfigured itself in the postwar era *Crime and Spy Jazz on Screen, 1950-1970* Derrick Bang, 2020-04-16 Henry Mancini's Peter Gunn theme Lalo Schiffrin's Mission Impossible theme John Barry's arrangement of the James Bond theme These iconic melodies have remained a part of the pop culture landscape since their debuts in the late 1950s and early 60s a golden decade that highlighted an era when movie studios and TV production companies employed full orchestral ensembles to provide a jazz backdrop for the suspenseful adventures of secret agents private detectives cops spies and heist minded criminals Hundreds of additional films and television shows made during this period were propelled by similarly swinging title themes and underscores many of which have undeservedly faded into obscurity This meticulously researched book traces the embryonic use of jazz in mainstream entertainment from the early 1950s when conservative viewers still considered this genre the devil's music to its explosive heyday throughout the 1960s Fans frustrated by the lack of attention paid to jazz soundtrack composers including Jerry Goldsmith Edwin Astley Roy Budd Quincy Jones Dave Grusin Jerry Fielding and many many others will find solace in these pages along with all the information needed to enhance one's music library The exploration of action jazz continues in this book's companion volume *Crime and Action Jazz on Screen Since 1971*
