Tv Guide For Pittsburgh Pa:

TV Guide Stephen F. Hofer, 2006 This book looks at the origins and growth of television through the pages of TV Guide and covers the complete run of this American icon from the first guides in 1953 to the last issue in guide format on October 9 2005 It includes full color reproductions of every cover ever printed and is both a collector's guide with pricing included and a retrospective view of the medium **TV Guide ... Genovese, 2017-07-28 This brief thought provoking text evaluates the performance of recent presidents from Johnson to Bush finding that overall each has failed to live up to public expectations Written by one of the top presidency scholars today The Presidential Dilemma reflects on the idea that as our country's problems grow our politicians seem to shrink Arguing that American presidents of the last 40 years have largely failed to meet the needs expectations and responsibilities placed upon them the book discusses how presidents might better maximize their opportunities for leadership and suggests a distinctive theory of presidential politics presidents facing a system of multiple veto points seek to maximize power and influence The third edition of Genovese's stimulating book is thoroughly updated to reflect presidential development in recent years and a new introduction brings his arguments current As he demonstrates the emergence of democracy as a new social and political paradigm undermined traditional authority and legitimacy Subjects no longer automatically follow now citizens must be

persuaded They may give to a leader their authority and power or not As Genovese notes in a world of mass consumerism those wishing to lead have precious little to offer by way of inducement Genovese s goal is to examine the reasons why the performance of recent presidents has been underwhelming discuss how they might maximize their opportunities for leadership and ask a key question Can presidents be both powerful and accountable The book follows a clear format and tries to show why America s officeholders have so rarely been leaders and how presidents can become leaders instead of mere officeholders
