The Vanishing Vision James Day, 2023-04-28 This spirited history of public television offers an insider's account of its topsy turvy forty year odyssey James Day a founder of San Francisco's KQED and a past president of New York's WNET provides a vivid and often amusing behind the screens history Day tells how a program producer desperate to locate a family willing to live with television cameras for seven months borrowed a dime and a suggestion from a blind date and telephoned the Lounds of Santa Barbara The result was the mesmerizing twelve hour documentary *An American Family* Day relates how Big Bird and his friends were created to spice up Sesame Street when test runs showed a flagging interest in the program's live action segments And he describes how Frieda Hennock the first woman appointed to the FCC overpowered the resistance of her male colleagues to lay the foundation for public television Day identifies the particular forces that have shaped public television and produced a Byzantine bureaucracy kept on a leash by an untrusting Congress with a fragmented leadership that lacks a clearly defined mission in today's multimedia environment Day calls for a bold rethinking of public television's mission advocating a system that is adequately funded independent of government and capable of countering commercial television's lowest common denominator approach with a full range of substantive programs comedy as well as culture entertainment as well as information This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1995

had to court How did this man become the master strategist of our political landscape In revelatory detail Sherman chronicles the rise of Ailes a frail kid from an Ohio factory town who through sheer willpower the flair of a showman fierce corporate politicking and a profound understanding of the priorities of middle America built the most influential television news empire of our time Drawing on hundreds of interviews with Fox News insiders past and present Sherman documents Ailes s tactical acuity as he battled the press business rivals and countless real and perceived enemies inside and outside Fox Sherman takes us inside the morning meetings in which Ailes and other high level executives strategized Fox s presentation of the news to advance Ailes s political agenda provides behind the scenes details of Ailes s crucial role as finder and shaper of talent including his sometimes rocky relationships with Fox News stars such as O Reilly Hannity and Carlson and probes Ailes s fraught partnership with his equally brash and mercurial boss Rupert Murdoch Roger Ailes s life is a story worthy of Citizen Kane Featuring an afterword about Ailes s epic downfall during the extraordinary 2016 election *The Loudest Voice in the Room* is an extraordinary feat of reportage with a compelling human drama at its heart
