Press, Radio and TV Guide: Australia, New Zealand and the Pacific Islands ,1992 Press, Radio, and TV Guide ,1978 **Press Radio and TV Guide** Rachel Eddon,2003 **TV Guide** ,2004 *Press, Radio & TV Guide, Australia, New Zealand, and the Pacific Islands* , *The Rough Guide to Gay & Lesbian Australia* Neal Drinnan,2001 THE ROUGH GUIDE TO GAY LESBIAN AUSTRALIA is the definitive guide to queer life right across the wide brown land It features Comprehensive listings of gay and lesbian friendly accommodation cafes and restaurants bars and clubs as well as gyms pools and beaches The lowdown on gay and lesbian events throughout Australia from Sydney s Mardi Gras to Perth s Pride festival and how to get in on the celebrations Details of community services and networks plus specialist travel services to ensure a smooth ride Insider view of queer screen culture literature music and the arts TV Format Mogul Albert Moran,2013-01-06 Since the late 1990s when broadcasters began adapting such television shows as Big Brother Survivor and Who Wants to Be a Millionaire for markets around the world the global television industry has been struggling to come to grips with the prevalence of program franchising across international borders In TV Format Mogul Albert Moran traces the history of this phenomenon through the lens of Australian producer Reg Grundy s transnational career Program copycatting Moran shows began long before its most recent rise to prominence Indeed he reveals that the practice of cultural and commercial cloning from one place to another and one time to another has occurred since the early days of broadcasting Beginning in the late 1950s Grundy brought non Australian shows to Australian audiences becoming the first person to take local productions to an overseas market By following Grundy s career Moran shows how adaptation and remaking became the billion dollar business they are today An exciting new contribution from Australia s foremost scholar of television TV Format Mogul will be a definitive history of program franchising **The Transnational Media Corporation** Richard A. Gershon,2013-10-18 The combination of international privatization trends coupled with advancements in computer and communication technology have transformed the conduct of international business The result has been a consolidation of players in all aspects of business including banking aviation insurance and mass media This book discusses one such player the Transnational Media Corporation TNMC Long remembered as a time of rapid growth and expansion for international business the decades of the 80s and 90s were a period characterized by major mergers and acquisitions Good examples of this include Time Inc s 1989 merger with Warner Communication for 11.2 billion and Walt Disney s 1996 purchase of Cap Cities ABC for 19.5 billion According to the late Steven Ross former co chief executive officer of Time Warner In order to succeed in business today you must be in all the major markets of the world TNMCs have indeed become salient features of today s global economic landscape This volume asks the most basic of questions What makes a global corporation global And to what extent do TNMCs affect the marketplace of ideas This book then is intended for the business professional or student who is interested in understanding the business and operations of transnational media Part I examines the regulatory and

economic reasons prompting the formation of a TNMC It seeks to explain why such companies engage in direct foreign investment and further considers how transnational operations affect the development of new media products in terms of cost quality and availability The TNMC is unique among global corporations given the fact that its primary business is the creation of information and entertainment products This book also examines the highly complex relationship between TNMCs and the host nations in which they operate It further considers such specific issues as cultural trespass transborder data flow and the effects of transnational media on the marketplace of ideas Part II of this volume provides a series of case study analyses of five leading TNMCs including Time Warner Inc Sony Inc Bertelsmann AG the Walt Disney Company and News Corporation Ltd Specific attention is given to the history business philosophy and economic performance of each of these companies
