Together with our singular appreciation for the most spoken word of all time, a word that conveys different emotions, has multiple meanings, a word that is never used out of context, always grammatically correct, spans cultural, geographical, political, and national barriers, brings all communications to a level playing field. This book is dedicated to everyone who is misguided enough to believe the world has evolved naturally. Hopefully, once reading this literary milestone, you will come to realise this world's original inhabitants were put here by some Universal Interplanetary Council Correctional Department to facilitate their rehabilitation. All of these early settlers were undoubtedly mentally and/or criminally insane and have unwittingly spawned what we know today as a seething mass of institutionalised and certifiable nutters of which you are undoubtedly one. **Gangs of London** Brian McDonald, Lifts the lid on London gangs of the last two centuries. THE WEEKLY NEWS Lays bare the truth behind the capital's underworld far before the Krays and the Richardsons became well known. THE WHARF Incredible real life tales. SOUTHWARK NEWS Long before the Kray twins, London was plagued by gang warfare as vicious as anything that was to come. From the 19th century onwards, violent mobs fought pitched battles for territory and local pride. The Bethnal Green Boys hunted Hackney's Broadway Boys. Clerkenwell took on Somers Town, the Red Hands prowled Deptford, and the Silver Hatchets terrorised Islington while the police and judiciary seemed powerless to stop them. The first ever history of these intriguing street mobs traces them from Jonathan Wild, the archetype for Dickens' Fagin, to sprawling super gangs like the Titanic and the Elephant Boys. It tells the bloody story of the racecourse wars when Darby Sabini and Billy Kimber slugged it out for control of

gambling pitches and of such big hitters as George Sage the guv nor of Camden Town Dodger Mullins and the McDonald brothers Eventually these local firms spawned notorious gangsters such as Jack Spot Billy Hill and Johnny Carter who carved out organised crime rackets across the capital Gangs of London is a riveting journey through the dark underbelly of one of the world's great cities

**Worse Things Happen at 'C'** Keith Powrie,2018-09-28 There is an old English clich which says Worse things happen at sea It is usually wheeled out when some disaster happens to a friend or relative in an effort to try and ease the situation and make the sufferer feel better It

seldom works Over the years I have come to realize that things happen either to me or around me but with a twist on the old cliché As the title implies my things all begin with the letter C What follows are brief recollections of these happenings lightened with touches of my own peculiar sense of humour In some cases I have written the chapters in a style that befits the occasion or location For example the many incidents that occurred during the week's stay on Bardsey Island lent themselves to being written in the style of the Canterbury Tales The visits to Israel not wishing to be blasphemous but they obviously benefit from a biblical style of narration I hope that will explain a little about what is to follow Some of the anecdotes may sound implausible or even improbable but where possible they have been validated with photographic evidence So read on and enjoy
