Life is a journey and everyone lives it differently. Although many people think that going to school, college, getting a job, leaving home, getting married, and having children are common life events, not everyone does all or any of **them**. What has your life journey been so far? Share your experiences with us!

Li

I feel like I've done all the things on your list! I graduated high school at eighteen, went to college, then went traveling around South America. After **that**, I planned to save money and travel again, but instead I got a job, got married, and had kids. I'm happy and my children are great fun, so I think I've made the right choices.

Jose (Group admin)

Sounds like you've made great life choices! My story is similar.

Ibrahim

I finished studying when I was fourteen, I wanted to continue, but **it** was too expensive and the nearest high school was 60 km away. I got a job at my uncle's clothing store at the market. I saved enough money there to open my own business selling ice cream. Now I own a popular ice cream shop. I haven't met the right person to spend my life with, but I hope to soon!

Jose (Group admin)

Well done! Where is your shop? I love ice cream!

Antonia

I'm still at school, I work in a garage on weekends. I answer the phone in the office, but I'm also learning to fix cars, too. I'm saving money to buy a motorcycle. I want to tour around China! I love that idea, but my mom doesn't. She is trying to persuade me to save my money and study computer science at college, but I don't really like studying. I prefer traveling or fixing cars.

Ibrahim

Sounds like you enjoy working in the garage. I recommend doing **that**!

Jose (Group admin)

Your mom sounds smart. Motorcycles are dangerous! Listen to **her**!

3 What do the words (1–6) from the posts refer to?

- 1 "it" _____
- 2 "them" _____
- 3 "that" _____
- 4 "it" _____
- 5 "that" _____
- 6 "her" _____

4 Think about the three options Antonia has now. Answer the questions (1–4).

- Option 1—going to college
- Option 2—working at the garage
- Option 3—touring China by motorcycle

- 1 Which option will give her a diploma? _____
- 2 Which option will be the most fun for Antonia? _____
- 3 Which option will be the least fun for Antonia? _____
- 4 Which option will make her money? _____
