Ndubizu,2022-05-11 Fighting to a finish is a true story of the author s experiences in a war between a Nigerian Goliath and a Biafran David where the David fought back with everything he had until he could fight no more The author detailed his experiences as he led his men in the battle fields at Aba Ogidi Abagana Afor Ugiri Umuahia Ngwa Ntodino Umuahia through Imo River to Umuezealla Owere The story concluded with the dispersal of worn out Biafran soldiers and the author s 35 mile trek though highways and bush paths to his home The book reveals that the author s survival without a scratch during the two year ordeal was due to a little bit of good judgement and a great deal of good luck *Summary of World Broadcasts* British Broadcasting Corporation. House of Commons,1920 Security in Nigeria Caroline Varin,Freedom Onuoha,2020-07-23 Nigeria is the most dynamic country on the African continent Yet the legacy of colonialism deep rooted corruption exposure to climate change and the proliferation of small arms have created a precarious security situation that holds back the country s potential for peace and prosperity Security in Nigeria explores the many security threats facing Nigeria and assesses the government s responses to date With contributors spanning three continents it provides an original and comprehensive analysis of old and new security threats and offers original solutions to address the crisis A Question of Honor Lynne Olson,Stanley Cloud,2004-10-12 A Question of Honor is the gripping little known story of the refugee Polish pilots who joined the RAF and played an essential role in saving Britain from the Nazis only to be betrayed by the Allies after the war After Poland fell to the Nazis thousands of Polish pilots soldiers and sailors escaped to England Devoted to liberating their homeland some would form the RAF s 303 squadron known as the Kosciuszko Squadron after the elite unit in which many had flown back home Their thrilling exploits and fearless flying made them celebrities in Britain where they were adopted by socialites and seduced by countless women even as they yearned for news from home During the Battle of Britain they downed more German aircraft than any other squadron but in a stunning twist at the war s end the Allies rewarded their valor by abandoning Poland to Joseph Stalin This moving fascinating book uncovers a crucial forgotten chapter in World War II and Polish history **Giant Strides** ,1988 Biafra's War 1967-1970 Al J. Venter,2016-02-19 Almost half a century has passed since the Nigerian Civil War ended But memories die hard because a million or more people perished in that internecine struggle the majority women and children who were starved to death Biafra s war was modern Africa s first extended conflict It lasted almost three years and was based largely on ethnic by inference tribal grounds It involved on the one side a largely Christian or animist southeastern quadrant of Nigeria which called itself Biafra pitted militarily against the country s more populous and preponderant Islamic north These divisions almost always brutal persist Not a week goes by without reports coming in of Christian communities or individuals

persecuted by Islamic zealots It was also a conflict that saw significant Cold War involvement the Soviets and Britain siding and supplying Federal Nigeria with weapons aircraft and expertise and several Western states Portugal South Africa and France especially providing clandestine help to the rebel state For that reason alone this book is an important contribution towards understanding Nigeria's ethnic divisions which are no better today than they were then Biafra was the first of a series of religious wars that threaten to engulf much of Africa Similar conflicts have recently taken place in the Ivory Coast Kenya Southern Sudan the Central African Republic Senegal Cassamance both Congo Republics and elsewhere As the war progressed Biafra also attracted mercenary involvement many of whom arriving from the Congo which had already seen much turmoil Western pilots were hired by Lagos and they flew the first Soviet MiG 17 jet fighters to have played an active role in a Western war Al Venter spent time covering this struggle He left the rebel enclave in December 1969 only weeks before it ended and claims the distinction of being the only foreign correspondent to have been rocketed by both sides first by Biafra's tiny Swedish built Minicon fighter planes while he was on a ship lying at anchor in Warri harbour and thereafter by MiG jets flown by mercenaries Among his colleagues inside the beleaguered territory were the celebrated Italian photographer Romano Cagnoni as well as Frederick Forsyth who originally reported for the BBC and then resigned because of the partisan pro Nigerian stance taken by Whitehall He briefly shared quarters with French photographer Giles Caron who was later killed in Cambodia Prior to that Venter had been working for John Holt in Lagos It is interesting that his office at the time was at Ikeja International Airport Murtala Muhammed today where the second Nigerian army mutiny was plotted and from where it was launched From this perspective he had a proverbial ringside seat of the tribal divisions that followed as hostilities escalated Venter took numerous photos while on this West African assignment both in Nigeria while he was based there and later in Biafra itself Others come from various sources including some from the same mercenary pilots who originally targeted him from the air
