Night Reading Guide Chapter 7-9
Chapter 7

1. When the train stopped in some German town, workers threw what into the cattle cars? bread
2. (Y or N) Did Elie ever learn why he was being strangled? No
3. They started with a hundred or so prisoners in their car. How many were alive when they arrived in Buchenwald? 12

Chapter 7 Think/Write/Share

The purpose of the Think/Write/Share activity is to give students time to think, process, and write before sharing with partners, small groups, or in whole group. (Suggested time: Give students 1-2 minutes to think and write before sharing.)

Why do you think Wispeil includes Meir Katz in his memoir?

Students might discuss: Elie's father asked Meir Katz to intervene when Elie was being strangled. Wispeil may have included him in his memoir because Meir Katz, who was the strongest among them, lost hope and ultimately did not survive the journey. Elie is struggling with his hope as well, and may be observing how the strongest among them do not survive.

Chapter 8

1. Who was being described as "childlike, weak, frightened, vulnerable"? Elie's father.
2. What thought did Elie have that caused him instant shame? For thinking how he could take his father's rations.
3. (T or F) It was suggested that Elie should stop giving his bread and soup to his father and that Elie should be taking his father's rations. True
4. (T or F) Elie cried when he realized his father died. False

Chapter 8 Think/Write/Share

How might Elie's life, relationships, or observations, and experiences have been different if he had not been with his father?

Students might discuss: Elie may not have survived as long without his father. They both look after each other at different points, and staying alive for his father might have encouraged Elie to try harder to survive. However, Elie struggled at times because he felt that his father had become a burden. In the diary, Wispeil, includes stories of other fathers and sons as he notes their relationships and compares them to his own.
