Nikon D60 Corey Hilz, 2012-09-10 Focal Digital Camera Guides. Nikon D60. Just bought a Nikon D60 and looking to combine practical know how with inspiration. This one stop easy to read guide covers all the basic functions of the camera and everything beyond. For the basics turn to the quick start guide which will get you up and running in five minutes. For an understanding of your camera's many controls and features check out the section called The Camera. If all you need is a quick explanation you'll find it. If you're looking for the Whole Story you'll find that too. Settings that affect how your pictures look are accompanied by full color examples that show you exactly what you can expect. This section also covers the camera's menus, playback features, memory cards and power sources. The section called Software shows you how to get the most out of your camera's software. It covers downloading, editing your photos, RAW conversion, storing your images, managing your library and backup strategies to name just a few topics. Ultimately this book's greatest strength isn't its focus on the camera or the software it's the detailed easy to follow instruction it offers on using your camera to take truly superior photographs. Sections devoted to lenses, subject matter and light cover these variables in depth, always presenting the most effective techniques in the context of the strengths and limitations of the Nikon D60. Written by a widely acclaimed photographer and photography instructor, **Nikon D60** shows you how to get the shots you can see in your head but have never been able to capture with a camera. The quick start guide will have you taking great photos in five minutes. In depth coverage of every feature and control ensures that you have access to the tools you need for every shot. Full color examples demonstrate how different settings affect your photos. Expert coverage of lenses, lighting and subject matter gives you the practical knowledge you need to go after any shot. Step by step instructions on photo editing and image management help you get the most out of
