teacher's practice to an organization serving 400,000 middle and high school students in 47 states and 16 countries. Question Everything describes the ideas and strategies behind the upward trajectory of both the program and the students who take part. Learn which foundational skills are emphasized for future success. Discover how AVID teaches personal management skills in the academic context. Contrast AVID student outcomes with national averages. Consider implementing AVID concepts and techniques into current curricula. As college readiness becomes a top priority for the Federal Government, the Gates Foundation, and other influential organizations, AVID's track record stands out as one of success. By leveling the playing field and introducing real-world realities early on, the program teaches students skills that help them in the workplace and beyond.
