

do ***NOT*** drag him by his feet, as his head comes off too soon. This is good for the owner, but spoils the fun. Always wear a seatbelt and never exceed the speed limit. 4) Playing on the PNL: a variation on (2), except you can knock your owner in the field, thus saving work time. Owners enjoy this game best if the PNL is run by a man in a tall white hat. 5) Hunt the owner: a variation of Hunt the Wabbit played outdoors, with Debrahman. WARNING: do not let your Debrahman bite owner, as they are highly toxic.

DISPOSAL OF DEAD OWNERS.

Owners die on average at around 40, which means might say is 40 years too late, I have you go. Most people prefer their owners dead, in fact. When yours dies, as the latest number of the car that did the drive-by shooting of your owner. They will collect the owner and dispose of it for you.

COMMON PROBLEMS WITH OWNERS - MY OWNER IS VERY AGGRESSIVE. Have it put down, for god's sake. Who needs an angry owner? What are we, the owner or something?

MY OWNER KEEPS RAPING WHITE WOMEN

They all do this. Shorten your owner's chain so it can't reach any white women, arms heavily any white women who might go near it.

WILL MY OWNER ATTACK ME?

Not unless it outnumbers you 20 to 1, and even then, it's not likely. If owners successfully overthrow their owners, they'd have to sort out their own land. This probably why owner uprisings were uncommon (until some had gave them rights).

MY OWNER ABOUT ITS "RIGHTS" AND "RACISM".

Yeah, well, it would. Tell it to shut the owner up.

MY OWNER'S SKIN IS A FUNNY COLOR. - WHAT IS THE CORRECT SKIN FOR A OWNER?

A owner's skin is actually more or less transparent. That brown color you can see that your owner is full of. This is why some models of owner are sold as "The owner".

MY OWNER ACTS LIKE A OWNER, BUT IS WHITE.

What you have there is a "owner". Rough crowd. WQW!

Your Average Nigga Vershawn Ashanti Young, 2007-03-01 An engrossing autobiographical exploration of black masculinity as a mode of racial and verbal performance In *Your Average Nigga* Vershawn Ashanti Young disputes the belief that speaking Standard English and giving up Black English Vernacular helps black students succeed academically Young argues that this assumption not only exaggerates the differences between two compatible varieties of English but forces black males to choose between an education and their masculinity by choosing to act either white or black As one would expect from a scholar who is subject to the very circumstances he studies Young shares his own experiences as he exposes the factors that make black racial identity irreconcilable with literacy for blacks especially black males Drawing on a range of interdisciplinary scholarship in performance theory and African American literary and cultural studies Young shows that the linguistic conflict that exists between black and white language styles harms black students from the inner city the most If these students choose to speak Standard English they risk alienating themselves from their families and communities and if they choose to retain their customary speech and behavior they may isolate themselves from mainstream society Young argues that this conflict leaves blacks in the impossible position of either trying to be white or forever struggling to prove that they are black enough For men this also becomes an endless struggle to prove that they are masculine enough Young calls this constant effort to display proper masculine and racial identity the burden of racial performance Ultimately Young argues that racial and verbal performances are a burden because they cannot reduce the causes or effects of racism nor can they denaturalize supposedly fixed identity categories as many theorists contend On the contrary racial and verbal performances only reinscribe the essentialism that they are believed to subvert Scholars and teachers of rhetoric performance studies and African American studies will enjoy this insightful volume
