Shanghai Redemption Qiu Xiaolong,2025-09-23 The system has no place for a cop who puts justice above the interests of the Party It s a miracle that I survived as long as I did For years Chen Cao managed to balance the interests of the Communist Party and the promises made by his job He was both a Chief Inspector of Special Investigations of the Shanghai Police Department and the deputy party secretary of the bureau He was considered a potential rising star in the Party until after one too many controversial cases that embarrassed powerful elements in the Party Chen Cao found himself neutralized Under the guise of a major promotion a new position with a substantial title but no power he s stripped of his job duties and isolated But that s still not enough as it becomes increasingly clear that someone is attempting to set him up for

public disgrace and possibly worse Chen Cao is technically in charge of the corruption case of a Red Prince a powerful high Party figure who embodies the ruthless ambition greed and corruption that is increasingly evident in the new China This Red Prince has the kind of connections and power to deflect any attempts to bring him to justice Now with no power few allies and with his own reputation on the line the former Inspector Chen is facing the most dangerous investigation of his career and his life A Case of Two Cities Qiu Xiaolong,2007-10-02 At once a compelling crime novel and an insightful moving portrayal of contemporary China A Case of Two Cities is the finest novel yet in this critically acclaimed award winning series Inspector Chen Cao of the Shanghai Police Department is assigned a high profile anti corruption case one in which the principal figure has long since fled to the United States and beyond the reach of the Chinese government But Xing left behind his organization and Chen while assigned to root the co conspirators is not sure whether he s actually being set up to fail In a twisting case that takes him from Shanghai all the way to the U S reuniting him with his colleague and counterpart from the U S Marshall s Service Inspector Catherine Rhon Chen finds himself at odds with hidden powerful and vicious enemies
