Red River Bullets Robert Eugene Trevathan,1990 *Bullets That Changed America* Peter Zablocki,2022-06-27 One gunshot by a single person could be powerful enough to move a whole nation Well known are the assassinations of Abraham Lincoln John F Kennedy William McKinley and Martin Luther King Jr and their long lasting consequences History however is littered with lesser known gunshots that have had equally echoing outcomes Some were small mistakes or misjudgments others intentional acts that sparked events documented in our history textbooks A single bullet serves as the catalyst for each of the stories in this book We may or may not know who fired it but we know each bullet s end point and the effects it had on America s trajectory the wars social movements and political and economic paradigm shifts The names of those involved may not to many be recognizable but the events their acts precipitated are etched in American history Red River Joseph James Hargrave,1871 Theatre of Witness Teya Sepinuck,2013-01-15 Theatre of Witness is a model of performance that gives voice to those who have been marginalized forgotten or lost to society creating a safe forum for audiences to bear witness to accounts of suffering and transformation This book chronicles the author s 26 years of creating theatre with people whose stories have previously gone untold **Bullet With My Name** LEONNARD OJWANG,2015-07-29 Best friends Henry Bobo and Joseph Charo live in a small town but have a big dream to graduate with college degrees It inspires them to be good boys and good students However because of a seemingly emotionless student leader and anger of a professor they are unceremoniously expelled from college Hopeless they realize money matters more than anything they wish they had They are willing to kill for it vowing to avenge against specific people they believe destroyed their only gateway for a better future Unless someone intervenes in time Bobo and Charo will execute helpless victims With murder a mere prelude to more heinous crimes their destiny begins to tilt toward peril Indeed they encounter someone more frightening and who has abilities and instincts that surpasses their own They will do what they must to avoid this creepy seemingly powerful stranger Soon they learn that having a good lawyer in a murder trial is not usually the remedy for fixing bad mistakes Or is it
