## **Us History Guided Reading Workbook Answers The New Deal:**

**Soviet-American Dialogue on the New Deal** Otis L. Graham, 1989 The study of U S history has flourished in the Soviet Union during the last several years with much research being published in Soviet journals Since those journals have very limited circulation in the West and since few U S scholars read Russian the Soviet vantage point on American history which often differs considerably from the view of U S scholars has been mostly inaccessible In this volume the first in a series scholars from both nations have cooperated to rectify part of that deficiency by examining one of the most significant decades in American history the 1930s Eleven essays by Soviet historians that were originally published in Soviet journals have been translated into English eight American historians have responded with commentary on those essays and the Soviets have written brief rejoinders The volume thus presents a unique opportunity to learn the contours of Soviet writings on the New Deal to take account of their preoccupations and conclusions and then to read the appraisals of noted U S scholars
