Kegley, Richard B. Gunderman, 2008-10-17 This new approach to Josiah

Royce shows one of American philosophy's brightest minds in action for today's readers. Although Royce was one of the towering figures of American pragmatism, his thought is often considered in the wake of his more famous peers. Jacquelyn Ann K. Kegley brings fresh perspective to Royce's ideas and clarifies his individual philosophical vision. Kegley foregrounds Royce's concern with contemporary public issues and ethics, focusing in particular on how he addresses long-standing problems such as race, religion, community, the dangers of mass media, mass culture, and blatant individualistic capitalism. She offers a deep and fruitful philosophical exploration of Royce's ideas on conflict resolution, memory, self-identity, and self-development. Kegley's keen understanding and appreciation of Royce reintroduces him to a new generation of scholars and students. *Cliffs Advanced Placement United States History Examination* Paul Soifer, Abraham Hoffman, 1993 **Women's**
