Loose-Leaf for Essentials of Contemporary Management Gareth R. Jones, Jennifer M. George, 2020-01-09 Jones and George's Essentials of Contemporary Management Ninth Edition provides the most current concise account of changes taking place in the world of management and management practices while making the text relevant and interesting to students. It mirrors the changes taking place in today's management practice by incorporating recent developments in management theory and research. This text also provides vivid current examples of how managers of companies large and small address the challenges and opportunities they face and how they can effectively meet them. A hallmark of this text is how the authors infuse real managers who seize opportunities, overcome challenges and effectively manage and lead their organizations in their Manager as a Person feature, allowing students to see real life management in action. Central to the book's approach, boxed material is seamlessly integrated into the text and an integral part of the learning experience; it is not disembodied from the chapter narrative.

Essentials of Contemporary Management Gareth Jones, Jennifer George, 2012-01-17 Jones and George's Essentials of Contemporary Management is the concise edition of the market bestselling textbook by the same author team. Jones and George are dedicated to the challenge of Making It Real for students. The authors present management in a way that makes its relevance obvious even to students who might lack exposure to a real life management context. This is accomplished through a diverse set of examples and the unique and most popular feature of the text, the Manager as a Person. Chapter 2, This chapter discusses managers as real people with their own personalities, strengths, weaknesses, opportunities and problems, and this theme is carried through the remaining chapters. This text also discusses the importance of management competencies, the specific set of skills, abilities and experiences that gives one manager the ability to perform at a higher level than another in a specific context. The themes of diversity, ethics, globalization and information technology are integrated throughout.
