Even the best trading system can prove disastrous if the trader doesn't have the ability to stick to their strategy. Featuring real life case studies, *The Psychology of Trading* presents a step by step goal oriented approach to trading that emphasizes ways to keep emotions in check, overcome self doubt and focus clearly on a winning strategy. *The Mental Strategies of Top Traders* Ari Kiev, 2009-11-13. An honest depiction of the challenges of trading and a clear explanation of what it takes to succeed. Trading tends to be a winner take all activity where a small number of traders are very successful while the majority either lose money or generate relatively small profits. In *The Mental Strategies of Top Traders*, author Ari Kiev identifies and analyzes the characteristics of successful traders and shows you how to cultivate these same characteristics. Successful trading, Kiev asserts, requires an unusual and sometimes contradictory blend of intellectual and psychological abilities including the willingness to take risks but in a very controlled manner, the discipline to develop high conviction trading ideas in the face of unpredictable markets and incomplete information as well as a strong drive to win but also accept failure. Here you will discover how to achieve all this and much more. Provides advice and solutions for traders struggling with today's volatile and stressful markets. Authoritatively identifies key mental strategies of top traders. Written by Ari Kiev, a highly respected figure in the professional trading community. Analysis is supported by comments from contemporary traders and portfolio managers, many of whom struggled with the markets of 2008. Designed with the serious trader in mind, this book will put you in a better position to excel in today's tumultuous markets. *The Wiley Trading Guide* Wiley, 2011-04-06.
