American Book Publishing Record ,2006 The Prophet's Ascension Christiane J. Gruber,Frederick S. Colby,2010-02 The tales of the mi raj describe the prophet Muhammad s journey through the heavens his encounters with prophets and angels and his visit to heaven and hell The tales are among Islam s most popular appearing in Arabic Persian and Turkish literature and in later adaptations throughout the Muslim world Often serving as narratives designed to promote the worldview of particular Muslim groups the tales were also a means for communities to construct rules of normative behavior and ritual practices and were used to assert the superiority of Islam over other religions The essays in this collection discuss the formation of this narrative the mi raj as a missionary text its various adaptations its application to esoteric thought and its use in performance and ritual **Religious Polemics and Encounters in Late Antiquity** ,2021-10-18 Religious Polemics and Encounters in Late Antiquity Boundaries Conversions and Persuasion explores the intricate identity formation and negotiations of early encounters of the Abrahamic religions Judaism Christianity and Islam It explores the ever pressing challenges arising from polemical inter religious encounters by analyzing the dynamics of apologetic debate the negotiation and formation of boundaries of belonging and the argumentative thrust for persuasion and conversion as well as the outcomes of these various encounters including the articulation of novel ideas The Late Antique authors studied in the present volume represent a variety of voices from North Africa passing through Rome to Palestine Together these voices of the past offer invaluable insight to shape the present times in hope for a better future **Shapers of Early Christianity** Roland H. Worth, Jr.,2010-06-28 In 100 A D Christianity was practiced only by a small oppressed minority Three hundred years later Christianity had become one of the world s major religions But this change did not happen easily The imperial government of Rome intellectual tradition and battles within the church itself influenced the transformation Every viewpoint had its champions and opponents and whether they were defenders of the faith or those whom history later labeled heretics they were part of the early evolution of Christianity This volume discusses more than 50 figures who played a role in the transformation from primitive Christianity to early Medieval Catholicism As it examines the lives and influence of imperial rulers such as Constantine proponents of the intellectual tradition including Gregory of Neocaesaria and Julius Africanus and early Bible translators such as Tatian Origen and Jerome the work provides a fascinating look at Christian history **Death Rituals among the Karanga of Zimbabwe** John Chitakure,2021-10-04 One of the inescapable truths that humanity has to grapple with is the reality of death The manner in which we die or the cause of our death may differ but death remains inevitable We may be afraid of it or not we may try to evade it or not but death still comes Although most religions promise the possibility of another life in the hereafter there is no scientifically verifiable evidence about the reality of that life Despite

that lack of evidence every culture performs death rituals meticulously to prepare the spirits of its deceased for whatever form of life that may be available Death Rituals among the Karanga of Zimbabwe Praxis Significance and Changes explores the causes of sickness and death and the praxis of pre burial burial and post burial rituals of the Karanga of Zimbabwe in an attempt to unearth their original form and significance to identify the changes that have taken place It also provides a brief manual for the performance of some selected Karanga death rituals
