

Notes – Act 1 Scene 1 and 2

•Scene 1 introduces the witches who seem to have the gift of prophecy. They know a battle is about to take place, that Macbeth will fight and win in this battle and they know where he will be afterwards. This will all be proven true before their next predictions are made.

•Scene 2 introduces the world the play is set in. A wounded sergeant gives a report of how the battle is going. The two armies were evenly matched until the hero Macbeth performs several impossible tasks. He defeated the Irish, he defeated the Norwegians and killed several commanders. At the same time, a traitor; the Thane of Cawdor, is killed and the king gives his title to Macbeth as a reward.
