[The Placentia Area - A Changing Mosaic](#) Lee K.M. Everts, 2016-02-27

Touching on the wide array of people and events who have brought life to the history of the Placentia area, *The Placentia Area: A Changing Mosaic* offers a glimpse of the deep history that has transformed this part of Newfoundland and Labrador. The history is a collection of interconnected stories. Geological processes forged a landscape that would feature in later actions and activities. Geology created a wide, expansive beach that Basque fish harvesters discovered was perfect for drying fish. This attribute, along with its deep harbour, then ensured that Placentia would go on to function in the struggles between the French and English. And from this period, the Placentia area has evolved, playing a role in the lives of well-known
