had to do something spectacular an event that they would remember for the rest of their life and yes it eventually turned out that way What they had in mind was against the law It was depraved and immoral enough that it could ruin somebodys life forever The victim that they had selected was unfortunately for them not somebody you could mess with without some serious repercussions and revenge Her life so far was not a bed of roses and she had to struggle to stay above water She was alone and on the streets of New Orleans when she was sixteen years old Her parents were killed when the hurricane Katrina hit the town The boys parents were the richest and most powerful citizens in their little town Minor infractions of the law were never enforced and this made them forget that some events were still against the law and that it was indecent behavior and would have them punished if caught This story will make you want to read all the incredible strange scary and wonderful events that the boys and girls have to go through The story is at the same level of vicious tender and dramatic It will make you angry and upset and maybe make you even cry and feel good Its a novel where the author cant tell you too much in this synopsis without ruining the story I hope you will have the time and desire to read this book People who did read the book find it to be very entertaining creative and passionate and they find it very hard to put down [The Night of God's Suicide](#) Barney Vincelette,2013-03-01 This is savage satire on religious fundamentalism and pop culture Mephistopheles took over the religions of the world and after thousands of years of holy wars genocides inquisitions and holocausts will unite his religions and establish his kingdom on Earth Trailer Park Buford college football hero is arrested for raping and murdering a six year old girl but because he is so passionately admired by sports fans corporate America spends billions on his defense The oratory in the trial is so brilliant that bin Laden who sees it on television concludes that Buford is the Seventh Mullah makes peace with the television evangelism industry and Buford becomes Buford Christ Mephistopheles new religion turns the world into a low class trailer park that is so ugly that it causes God to begin His suicide But little Laurie the only child to survive an encounter with Buford stands alone and fights back against Mephistopheles as the stars go out The universe hangs in the balance *The Evil Within* Imogene Angel,2012-11 Can a naive southern girl and single mother of three sons thrive in the glamorous world of the rich and famous Can she survive the seedy world of meth addicts to protect the lives of five beautiful innocent little girls Can she do all this while traveling the world and protecting her own family It will surprise you what a tiny headstrong Irish woman can accomplish when she is forced to confront evil Go with the Author to tour the world and meet famous actors at the Hollywood Studios Then take a roller coaster ride from hell with violent meth addicts and doped up crooked cops and judges It s a ride you won t want to miss **The Girl Next Door** J.R.
