## **Training Guide For Deaconesses:**

**Women Deacons and Deaconesses** Charles W. Deweese,2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons     Deaconess Training Manual Larry A.
