Highly Probable SQPs **200 Years of Ricardian Trade Theory** Ronald W. Jones, Rolf Weder, 2017-11-30 This book offers a comprehensive and insightful reflection on David Ricardo's ingenious theory of international trade. Divided into three parts: Part I presents the birthday boy, his concept, and the many applications and insights that have been derived from it, particularly in modern times; Part II explores in depth important aspects of the Ricardian trade theory through the eyes and experience of leading experts on international trade theory, taking into account the latest research in the field; Lastly, Part III discusses current challenges of globalization in the light of Ricardian trade theory and includes the original *On Foreign Trade* written and published by David Ricardo in 1817.

25 Years of Economic Theory T.J. Kastelein, Simon K. Kuipers, W.A. Nijenhuis, R.G. Wagenaar, 2012-12-06 Almost three years passed since the Faculty of Economics of the University of Groningen celebrated its 25th Anniversary in 1973. Late but not too late, we hope to present the lectures of most of our distinguished guests who came from the United States and different European Countries to inform the Congress participants of their opinion and ideas on 25 Years of Economic Theory: Retrospect and Prospect. The problems we met in publishing the lectures in accordance with the agreement we made with our guests are not unusual, as everyone knows who has been an editor of such a volume before. The promise to give a lecture and to write it down afterwards as well is much more difficult to maintain than only to give a speech. Everybody knows there is nothing so terrifying as to be reminded of your promise to write down your lecture, especially if only a type-written text put down from a tape is at your disposal. You are sure of your remembrance. That very day I heard applause, there were friendly words and perhaps a state of not ending enthusiasm. And now I receive this type-written text of my speech with a request full of innocence: these friendly committee members will you be so kind as to prepare your text for publication. But this one is this my text. Unbelievable.
