Bibles in Popular Cultures Rebekah Welton, Zanne Domoney-Lyttle, 2024-11-14 Supporting the theory that there is no singular Bible and the idea that biblical literacy is demonstrated in a multitude of ways beyond confessional interpretations of biblical texts the contributors of this volume explore how multiple Bibles coexist simultaneously in popular cultures By interrogating popular television music and film biblical retellings are identified which variously perpetuate challenge or subvert biblical narratives and motifs The topics discussed are gathered around three themes depictions of sex and gender troubling representations and subversions of biblical authority This volume offers new studies on retellings of biblical texts which seek to interrogate perpetuate and challenge dominant cultural ideas of who can interpret biblical texts what forms this might take and the influence of biblical interpretations in our societies Negotiating Paradise Dennis Merrill, 2009 Accounts of U S empire building in Latin America typically portray politically and economically powerful North Americans descending on their southerly neighbors to engage in lopsided negotiations Dennis Merrill s comparative history of U S tourism in L *Program of the Annual Meeting - American Historical Association* American Historical Association, 2006 Some programs include also the programs of societies meeting concurrently with the association The Invaded Alan McPherson, 2014-03 The Invaded explores the United States military occupations of Nicaragua 1912 33 Haiti 1915 34 and the Dominican Republic 1916 24 proposing not only that opposition to U S intervention was more widespread than commonly acknowledged but that anti imperial movements in the Caribbean basin were primarily responsible for bringing about the end of U S occupation National Museums and Nation-building in Europe 1750-2010 Peter Aronsson, Gabriella Elgenius, 2014-12-05 Europe s national museums have since their creation been at the centre of on going nation making processes National museums negotiate conflicts and contradictions and entrain the community sufficiently to obtain the support of scientists and art connoisseurs citizens and taxpayers policy makers domestic and foreign visitors alike National Museums and Nation building in Europe 1750 2010 assess the national museum as a manifestation of cultural and political desires rather than that a straightforward representation of the historical facts of a nation National Museums and Nation building in Europe 1750 2010 examines the degree to which national museums have created models and representations of nations their past present and future and proceeds to assess the consequences of such attempts Revealing how different types of nations and states former empires monarchies republics pre modern modern or post imperial entities deploy and prioritise different types of museums based on art archaeology culture and ethnography in their making this book constitutes the first comprehensive and comparative perspective on national museums in Europe and their intricate relationship to the making of nations and states The Oxford Handbook of Nineteenth-Century Women Philosophers in the German Tradition Kristin Gjesdal, Dalia Nassar, 2024 This Oxford Handbook celebrates the work of trailblazing women in the history of modern philosophy Through thirty one original chapters it engages with the work of women philosophers spanning the long

nineteenth century in the German tradition and covers women's contribution to major philosophical movements including romanticism and idealism socialism and Marxism Nietzscheanism feminism phenomenology and neo Kantianism It opens with a section on figures offering essays focused on fifteen thinkers in this tradition before moving on to sections of essays on movement and topics Across the volume's chapters essays examine women's contributions to key philosophical areas such as epistemology and metaphysics aesthetics ethics social and political philosophy ecology education and the philosophy of nature

The Pariah Problem Rupa Viswanath, 2014-07-08 Once known as Pariahs Dalits are primarily descendants of unfree agrarian laborers They belong to India's most subordinated castes face overwhelming poverty and discrimination and provoke public anxiety Drawing on a wealth of previously untapped sources this book follows the conception and evolution of the Pariah Problem in public consciousness in the 1890s It shows how high caste landlords state officials and well intentioned missionaries conceived of Dalit oppression and effectively foreclosed the emergence of substantive solutions to the Problem with consequences that continue to be felt today Rupa Viswanath begins with a description of the everyday lives of Dalit laborers in the 1890s and highlights the systematic efforts made by the state and Indian elites to protect Indian slavery from public scrutiny Protestant missionaries were the first non Dalits to draw attention to their plight The missionaries vision of the Pariahs suffering as being a result of Hindu religious prejudice however obscured the fact that the entire agrarian political economic system depended on unfree Pariah labor Both the Indian public and colonial officials came to share a view compatible with missionary explanations which meant all subsequent welfare efforts directed at Dalits focused on religious and social transformation rather than on structural reform Methodologically theoretically and empirically this book breaks new ground to demonstrate how events in the early decades of state sponsored welfare directed at Dalits laid the groundwork for the present day where the postcolonial state and well meaning social and religious reformers continue to downplay Dalits landlessness violent suppression and political subordination

Jews, Christians, Muslims John Corrigan, Frederick Denny, Martin S Jaffee, Carlos Eire, 2016-01-08 Thematic examination of monotheistic religions The second edition of *Jews Christians Muslims A Comparative Introduction to Monotheistic Religions* compares Judaism Christianity and Islam using seven common themes which are equally relevant to each tradition Provoking critical thinking this text addresses the cultural framework of religious meanings and explores the similarities and differences among Judaism Christianity and Islam as it explains the ongoing process of interpretation in each religion The book is designed for courses in Western and World Religions

Literary Cultures in Early Modern North India Imre Bangha, Danuta Stasik, 2024-06-11 *Literary Cultures in Early Modern North India* Current Research grows out of over a 40 year tradition of the triennial International Conferences on Early Modern Literatures in North India ICEMLNI initiated to share Bhakti in current research This volume brings together a selection of contributions from some of the leading scholars as well as emerging researchers in the field originally presented at the 13th ICEMLNI University of Warsaw 18-22 July 2018 Considering innovative methodologies and

tools the volume presents the current state of research on early modern sources and offers new inputs into our understanding of this period in the cultural history of India This collection of essays is in the tradition of Bhakti in current research volumes produced from 1980 onward but reflecting our current understanding of early modern textualities The book operates on the premises that the centuries preceding the colonial conquest of India which in scholarship influenced by orientalist concepts has often been referred to as medieval However these languages already participated in modernity through increased circulation of ideas new forms of knowledge new concepts of the individual of the community and of religion The essays cover multiple languages Indian vernaculars Sanskrit Apabhramsha Persian different media texts performances paintings music and traditions Hindu Jain Muslim Sant Sikh analyzing them as individual phenomena that function in a wider network of connections at textual intertextual and knowledge system levels

Exotic Animals in the Art and Culture of the Medici Court in Florence Angelica Groom, 2018-10-22 The book examines the roles that rare and exotic animals played in the cultural self fashioning and the political imaging of the Medici court during the family's reign first as Dukes of Florence 1532-1569 and subsequently as Grand Dukes of Tuscany 1569-1737 The book opens with an examination of global practices in zoological collecting and cultural uses of animals The Medici's activities as collectors of exotic species the menageries they established and their deployment of animals in the ceremonial life of the

court and in their art are examined in relation to this wider global perspective The book seeks to nuance the myth promoted by the Medici themselves that theirs was the most successful princely serrataglio in early modern Europe

Comparative Perspectives on Judaisms and Jewish Identities Stephen Sharot, 2011 Comparative Perspectives on Judaisms and Jewish Identities makes a unique contribution building on but not duplicating Sharot's earlier work There is no comparable work that covers all of these periods and particular cases Harriet Hartman professor of sociology at Rowan University

Sounds of Ethnicity Barbara Lorenzkowski, 2010-05-01 Sounds of Ethnicity takes us into the linguistic cultural and geographical borderlands of German North America in the Great Lakes region between 1850 and 1914 Drawing connections between immigrant groups in Buffalo New York and Berlin now Kitchener Ontario Barbara Lorenzkowski examines the interactions of language and music specifically German language education choral groups and music festivals and their roles in creating both an ethnic sense of self and opportunities for cultural exchanges at the local ethnic and transnational levels She exposes the tensions between the self-declared ethnic leadership that extolled the virtues of the German mother tongue as preserver of ethnic identity and gateway to scholarship and high culture and the hybrid realities of German North America where the lives of migrants were shaped by two languages English and German Theirs was a song not of cultural purity but of cultural fusion that gave meaning to the way German migrants made a home for themselves in North America Written in lively and elegant prose Sounds of Ethnicity is a new and exciting approach to the history of immigration and identity in North America

Cuba and Africa, 1959-1994 Kali Argyriadis, Giulia Bonacci, Adrien Delmas, 2020-11-01 A history of Atlantic solidarity between Cuba and Africa in struggle for African independence from colonial powers The Cuban people hold a special place in the hearts of the people of Africa The Cuban internationalists have made a contribution to African independence freedom and justice unparalleled for its principled and selfless character As Nelson Mandela states Cuba was a key participant in the struggle for the independence of African countries during the Cold War and the definitive ousting of colonialism from the continent Beyond the military interventions that played a decisive role in shaping African political history there were many-sided engagements between the island and the continent Cuba and Africa 1959-1994 is the story of tens of thousands of individuals who crossed the Atlantic as doctors scientists soldiers students and artists Each chapter presents a case study from Algeria to Angola from Equatorial Guinea to South Africa and shows how much of the encounter between Cuba and Africa took place in non-militaristic fields humanitarian and medical scientific and educational cultural and artistic The historical experience and the legacies documented in this book speak to the major ideologies that shaped the colonial and postcolonial world including internationalism developmentalism and South-South cooperation Approaching African-Cuban relations from a multiplicity of angles this collection will appeal to an equally wide range of readers from scholars in black Atlantic studies to cultural

theorists and general readers with an interest in contemporary African history Managing Records Elizabeth Shepherd, Geoffrey Yeo, 2003 Many organizations do not yet have a formal programme of records management but increasingly they are recognizing the benefits of well managed records and the serious consequences of inadequate records systems Establishing records management and maintaining an effective programme requires specialist expertise This essential manual of practice provides a detailed guide to the concepts skills and techniques of records management for organizational staff who have a responsibility for setting up maintaining or restructuring a records management programme It offers invaluable advice on the management of records in both electronic and traditional paper media and focuses on the following areas understanding records management analysing the context for records management classifying records and documenting their context creating and capturing records managing appraisal retention and disposition maintaining records and assuring their integrity providing access implementing records management The appendices provide a wealth of additional information including a list of standards for records management an annotated bibliography and sources of further information and details of professional and advisory bodies Readership This much needed manual is an indispensable purchase for organizations wishing to introduce better practices for managing their records The book is intended to be of value to experienced records managers as well as LIS practitioners and newcomers to the field It should be on the desk of every manager and every information professional with responsibility for records management Pluripotent Stem Cells Deepa Bhartiya, Nibedita Lenka, 2013-08-28 Stem cells have generated a lot of excitement among the researchers clinicians and the public alike Various types of stem cells are being evaluated for their regenerative potential Marginal benefit resulting by transplanting autologous stem cells deemed to be absolutely safe in various clinical conditions has been proposed to be a growth factor effect rather than true regeneration In contrast various pre clinical studies have been undertaken using differentiated cells from embryonic stem cells or induced pluripotent stem cells have shown promise functional improvement and no signs of teratoma formation The scientists are not in a rush to reach the clinic but a handful of clinical studies have shown promise This book is a collection of studies reviews beginning with an introduction to the pluripotent stem cells and covering various aspects like derivation differentiation ethics etc and hence would provide insight into the recent standing on the pluripotent stem cells biology The chapters have been categorized into three sections covering subjects ranging from the generation of pluripotent stem cells and various means of their derivation from embryonic as well as adult tissues the mechanistic understanding of pluripotency and narrating the potential therapeutic implications of these in vitro generated cells in various diseases in addition to the associated pros and cons in the same The New York Mets in Popular Culture David Krell, 2020-09-23 Bringing fresh perspectives to the team that has brought joy triumph and even a miracle to New York City this collection of new essays examines portrayals of the Mets in film television advertising and other media Contributors cover little known aspects of Mets history that even die hard fans may not know Topics include the popularity of Rheingold s

advertising in the 1950s and 1960s Bob Murphy's broadcasting career before joining the Mets announcing team in 1962 Mr Met's rivalry with the Phillie Phanatic Dave Kingman's icon status the pitching staff's unsung performance after the 1969 World Series victory and Joan Payson's world renowned art collection and philanthropy *Culture and Diplomacy* Reinhard Eisendle, Suna Suner, Hans Ernst Weidinger, 2023-12-22 Diplomats had multiple tasks not only negotiating with the representatives of other states but also mediating culture and knowledge and not least elaborating reports on their observations of politics society and culture Culture according to the studies featured in this book is defined as a complex sphere including aspects like systems of communication literature music arts education and the creation of knowledge This edition containing contributions from six conferences held in Vienna and Istanbul by the Don Juan Archiv Wien focuses on the complex diplomatic and cultural relations between the Ottoman Empire and Europe from the time of the early embassies to Istanbul up to Tanzimat

Abraham in Arms Ann M. Little, 2013-03-01 In 1678 the Puritan minister Samuel Nowell preached a sermon he called *Abraham in Arms* in which he urged his listeners to remember that Hence it is no wayes unbecoming a Christian to learn to be a Souldier The title of Nowell's sermon was well chosen Abraham of the Old Testament resonated deeply with New England men as he embodied the ideal of the householder patriarch at once obedient to God and the unquestioned leader of his family and his people in war and peace Yet enemies challenged Abraham's authority in New England Indians threatened the safety of his household subordinates in his own family threatened his status and wives and daughters taken into captivity became baptized Catholics married French or Indian men and refused to return to New England In a bold reinterpretation of the years between 1620 and 1763 Ann M Little reveals how ideas about gender and family life were central to the ways people in colonial New England and their neighbors in New France and Indian Country described their experiences in cross cultural warfare Little argues that English French and Indian people had broadly similar ideas about gender and authority Because they understood both warfare and political power to be intertwined expressions of manhood colonial warfare may be understood as a contest of different styles of masculinity For New England men what had once been a masculinity based on household headship Christian piety and the duty to protect family and faith became one built around the more abstract notions of British nationalism anti Catholicism and soldiering for the Empire Based on archival research in both French and English sources court records captivity narratives and the private correspondence of ministers and war officials *Abraham in Arms* reconstructs colonial New England as a frontier borderland in which religious cultural linguistic and geographic boundaries were permeable fragile and contested by Europeans and Indians alike
