The housekeeper's manual of cookery and domestic economy Housekeeper,1859 **Everyday Transgressions** Adelle Blackett,2019-04-15 The book's breadth and grounding in labor law make it most accessible and useful to a professional audience but even nonspecialists and lay readers will appreciate Blackett's insights about law and domestic work and provocative issues such as social stratification and immigration Choice Adelle Blackett tells the story behind the International Labour Organization's ILO Decent Work for Domestic Workers Convention No 189 and its accompanying Recommendation No 201 which in 2011 created the first comprehensive international standards to extend fundamental protections and rights to the millions of domestic workers laboring in other peoples homes throughout the world As the principal legal architect Blackett is able to take us behind the scenes to show us how Convention No 189 transgresses the everyday law of the household workplace to embrace domestic workers human rights claim to be both workers like any other and workers like no other In doing so she discusses the importance of understanding historical forms of invisibility recognizes the influence of the domestic workers themselves and weaves in poignant experiences infusing the discussion of laws and standards with intimate examples and sophisticated analyses Looking to the future she ponders how international institutions such as the ILO will address labor market informality alongside national and regional law reform Regardless of what comes next Everyday Transgressions establishes that domestic workers victory is a victory for the ILO and for all those who struggle for an inclusive transnational vision of labor law rooted in social justice **Maid to Order in Hong Kong** Nicole Constable,2017-12-15 Middle class Chinese women in the global city of Hong Kong have entered the workforce in unprecedented numbers over the past three decades and the demand for foreign domestic workers has soared A decade ago some foretold the decline in foreign workers and the influx of mainland workers But today over 120 000 women from the Philippines over 90 000 from Indonesia and thousands more from other parts of South and Southeast Asia serve as maids on two year contracts in Hong Kong sending much needed remittances to their families abroad Nicole Constable tells their story by updating Maid to Order in Hong Kong with a focus on the major changes that have taken place since Hong Kong's reunification with mainland China in 1997 the Asian financial crisis of the late 1990s and the outbreak of SARS in 2002 2003 Interweaving her analysis with the women's individual stories she shows how power is expressed in the day to day lives of Filipina domestic workers and more recent Indonesian arrivals *The New Housekeeper's Manual, Embracing a New Revised Edition of the American Woman's Home, Or, Principles of Domestic Science* Catharine Esther Beecher,Harriet Beecher Stowe,1873 This is a revised and expanded version of The American Woman's Home Gerritsen no 198 4 **Marine Corps Housing Management Manual** United States. May,2011-06-01 Through an analysis of women s reform domestic worker activism and cultural values attached to public and private space Vanessa May explains how and why domestic workers the largest category of working women before 1940 were excluded

from labor protections that formed the foundation of the welfare state Looking at the debate over domestic service from both sides of the class divide Unprotected Labor assesses middle class women s reform programs as well as household workers efforts to determine their own working conditions May argues that working class women sought to define the middle class home as a workplace even as employers and reformers regarded the home as private space The result was that labor reformers left domestic workers out of labor protections that covered other women workers in New York between the late nineteenth century and the New Deal By recovering the history of domestic workers as activists in the debate over labor legislation May challenges depictions of domestics as passive workers and reformers as selfless advocates of working women Unprotected Labor illuminates how the domestic service debate turned the middle class home inside out making private problems public and bringing concerns like labor conflict and government regulation into the middle class home
