Planting Dandelions Field Notes From A Semidomesticated Life:

Planting Dandelions Kyran Pittman, 2011-04-28 Introducing a writer with a keen eye a wicked tongue and an appealing take on family In the family of Jen Lancaster and Elizabeth Gilbert Kyran Pittman is the laid back middle sister warm and witty and confiding with an addictively smart and genuine voice but married with three kids and living in the heartland Relatable and real she writes about family in a way that highlights all its humor while at the same time honoring its depth A regular contributor to Good Housekeeping Pittman is well loved because she is funny and honest and self deprecating because her own household is in chaos semi domesticated and because she inspires readers in their own domestic lives In these eighteen linked chronological essays Pittman covers the first twelve years of becoming a family writing candidly and hilariously about things like learning to maintain a marriage over time dealing with the challenges of sex after childbirth saying good bye to her younger self and embracing the still attractive forty year old version and trying to recession proof her family i e downsize to avoid foreclosure From a fresh new talent celebrating the joys and trials of a new generation of parents Planting Dandelions is an entertaining tribute to choosing the white picket fence over the other options available even if you don t manage to live up to its ideals every day

Minimalist Parenting Christine K. Koh, Asha Dornfest, 2016-10-04 We re in the midst of a parenting climate that feeds on more More expert advice more gear more fear about competition and safety and more choices to make about education nutrition even entertainment The result Overwhelmed confused parents and overscheduled overparented kids In MINIMALIST PARENTING Christine Koh and Asha Dornfest offer a fresh approach to navigating all of this conflicting background noise They show how to tune into your family s unique values and priorities and confidently identify the activities stuff information and people that truly merit space in your life The book begins by showing the value of a minimalist approach backed by the authors personal experience practicing it It then leads parents through practical strategies for managing time decluttering the home space simplifying mealtimes streamlining recreation and prioritizing self care Filled with parents personal stories readers will come away with a unique plan for a simpler life
