## **Planned Parenthood Of Illinois 2012 Audit:**

**Planned Bullyhood** Karen Handel, 2012-09-11 The full up close story of the battle between Susan G Komen for the Cure and Planned Parenthood from the woman at the center of the explosive media firestorm of early 2012 Karen Handel former SVP of Public Policy at Komen In 2011 Susan G Komen for the Cure was growing weary of the pink being tarnished by its health grants to Planned Parenthood PPH whose many controversies were fueling backlash against Komen They wanted to remove themselves from the pro life abortion debate and made what they thought was a rational reasonable decision seek neutral ground in the culture war by severing ties with Planned Parenthood and in turn eliminate a major headache while opening a new robust fund raising channel Karen Handel the organization s Senior Vice President of Public Policy was tasked with identifying options to disengage In November the Komen management and board decided to move forward Komen believed that they and PPH had made a gentle ladies pact agreeing to part ways amicably and acknowledging that a media firestorm was in no one s best interest Yet six weeks later PPH unleashed a media campaign so viral and so seamlessly executed that it must have been in the works for some time PPH attacked Komen against the backdrop of the Obama administration s clash with the Catholic Church over contraception After just three days following hysterical cries that Komen was abandoning women Komen capitulated and reversed course Handel a lifelong pro life Republican who was raised Catholic was immediately made the target She resigned within days of Komen s reversal Liberals called her a right wing Trojan horse The pro life community hailed her as a hero She insists she is neither Why did Planned Parenthood attack Was Komen simply a pawn in something bigger In this book Karen Handel finally speaks For at least a decade Susan G Komen for the Cure the world s leading breast cancer organization had been dealing with the backlash from pro life conservatives because of its grants to Planned Parenthood the world s largest abortion provider According to Karen Handel Komen s Senior Vice President of Public Policy in 2011 the two organizations had mutually agreed to part ways amicably but then Planned Parenthood surprisingly unleashed a media attack against Komen waving the banner of women s health as a shield for its underlying political agenda Public criticism against Komen intensified with damaging consequences eventually concluding in Komen s surrender and Karen s resignation In daring to walk away Komen had unwittingly ignited a battle in which it became collateral damage in a larger election year war between liberals and conservatives for the souls and votes of women and the nation s conscience with abortion and contraception linked as ultimate wedge issues What exactly went on inside this firestorm of controversy Were there larger forces at play In this tell all highly charged account Karen Handel breaks the silence and finally reveals what really happened in the winter of 2011 *Human Trafficking* John H. Coverdale, M.D., Mollie R. Gordon, M.D., Phuong T. Nguyen, Ph.D., 2020-06-11 *Human Trafficking A Treatment Guide for Mental Health Professionals* is an educational and clinical resource for health care practitioners from any discipline who may encounter sex or labor trafficked persons The book s editors direct the Baylor College of Medicine Anti Human Trafficking Program in Houston and

in the last year they have identified close to 100 trafficked persons in their hospital's small inpatient psychiatry unit at a rate that appears to be growing. Their extensive experience has made them uniquely qualified to pen this guide which is singular in delivering the background knowledge and frontline clinical strategies providers need to identify, relate to, and treat these psychologically wounded yet resilient patients. Each chapter begins with a compelling clinical case to bring the often horrifying conditions these patients have endured into focus and to contextualize the pertinent research, assessment, and treatment information that follows. The chapters address epidemiology and screening, general and specific management principles in different settings, and specific topics such as managing concomitant substance use disorders, issues pertaining to children, advocacy, confidentiality, and reporting requirements, psychotherapeutic principles, cultural issues, and trafficked persons' accounts of their own experiences with the health care system. Designed to enlighten and instruct, *Human Trafficking: A Treatment Guide for Mental Health Professionals* is a wake-up call and a wise and worldly companion for clinicians serving this overlooked population.

**Business and the Ethical Implications of Technology** Kirsten Martin, Katie Shilton, Jeffery Smith, 2022-11-09. This book focuses on how firms should engage ethical choices in developing and deploying digital technologies. Digital technologies are devices that rely on rapidly accelerating digital sensing, storage, and transmission capabilities to intervene in human processes. While the ethics of technology is analyzed across disciplines from science and technology studies, STS, engineering, computer science, critical management studies, and law, less attention is paid to the role that firms and managers play in the design, development, and dissemination of technology across communities and within their firm. This book covers the topic from three angles: First, it illuminates diverse facets of the intersection of technology and business ethics; Second, it uses themes to explore what business ethics offers to the study of technology; and third, what technology studies offers to the field of business ethics. Each field brings expertise that together improves our understanding of the ethical implications of technology. Chapter A: Micro ethnographic Study of Big Data Based Innovation in the Financial Services Sector; Governance, Ethics, and Organisational Practices; chapter The Challenges of Algorithm Based HR Decision Making for Personal Integrity; and chapter Female CEOs and Core Earnings Quality: New Evidence on the Ethics Versus Risk Aversion Puzzle are available open access under a Creative Commons Attribution 4.0 International license via [link.springer.com](https://link.springer.com).
