 struggling with deep social economic and political conflicts We are all doing our best to resolve these conflicts and to solve  
 the critical challenges that we all face in the Digital Age but our children and young adults are having a very difficult time in  
 dealing with the realities of their young lives We wrote this book because we want to engage all of our readers in each local  
 community in frank honest down to earth practical conversations about our K 12 schools as the foundation for our  
 constitutional democracy Without well educated citizens our government our economy and our society will not survive And  
 this is true regardless of the political beliefs of our readers across the political spectrum **Yearbook** National Council for
