

Lexington:

- Town in Middlesex County, Massachusetts.
- Site of the first battle between the British and Americans.
- In the Battle of Lexington, the Americans were forced to retreat under heavy British fire; 8 of their number were killed in the brief encounter on the village green.

Concord:

- Second site of Battles of Lexington and Concord.
- British entered Concord (April 18, 1775), where they destroyed some military supplies.
- On the return march to Boston, the British were attacked by hundreds of militiamen firing at them from behind stoned walls....the British suffered 250 casualties---and also great humiliation at being so badly mauled by "amateur" fighters.

Battle of Bunker Hill:

- Occurred 2 months after the Battles of Lexington and Concord..... June 17, 1775.
- A colonial militia of Massachusetts farmers fortified Breed's Hill (which was next to Bunker Hill, for which the battle was wrongly named).
- The British attacked the colonists' position and managed to take the hill, suffering over a thousand casualties.
- Americans claimed a big victory.... They succeeded in inflicting heavy losses on the attacking British army.

Second Continental Congress (1775):

- Met in Philadelphia in May 1775, soon after the fighting broke out in Massachusetts.
- Consisted of delegates who thought the colonies should declare their independence (these delegates were mainly from New England) and delegates who hoped the conflict would be resolved by negotiating a new relationship with Great Britain (these delegates were mainly from the middle colonies).
- Congress took military actions, as well as making efforts for peace.

Declaration of the Causes and Necessities for Taking Up Arms:

- Adopted by the Continental Congress.... Called on the colonies to provide troops.
- George Washington was appointed the commander-in-chief of a new colonial army and sent to Boston to lead the Massachusetts militia and volunteer units from other colonies.

Olive Branch Petition:

- Sent to King George III by colonial delegates.
- Delegates pledged their loyalty and asked the king to intercede with Parliament to secure peace and the protection of colonial rights.
- Sent because many in the colonies did not want independence, for they valued their heritage and Britain's protection, but they did want a change in their relationship with Britain.

Prohibitory Act (1775):

- Declared the colonies in rebellion.
- Issued by Parliament, King George ignored the congress' plea and agreed to the act.
- A few months later, Parliament forbade all trade and shipping between England and the colonies.

Thomas Paine; *Common Sense* (1776):

- Pamphlet written by Thomas Paine, a recent immigrant to the colonies.
- Paine's essay argued in clear and forceful language for the colonies becoming independent states and breaking all political ties with the British monarchy.
- Paine argued that it was contrary to common sense for a large continent to be ruled by a small and distant island and for people to pledge allegiance to a king whose government was corrupt and whose laws were unreasonable.

Declaration of Independence:

- Written by Thomas Jefferson; adopted by Congress on July 4th, 1776.
- The declaration listed specific grievances against George III's government and also expressed the basic principles that justified revolution.... asked for American independence.
- Said that "all men are created equal", and that they are given "certain unalienable rights" including "life, liberty, and the pursuit of happiness."

Thomas Jefferson:

- The author of the Declaration of Independence (1776)
- The third President of the United States (1801-1809)
- One of the most influential Founding Fathers for his promotion of the ideals of Republicanism in the United States.

Patriots:

- Those who supported American independence.
- An estimated 40% of the colonial population joined the Patriot side (about 2.6 million lived in the 13 colonies or states during the war).

Loyalists (Tories):

- Those who remained loyal to Britain and did not want American independence.
- Also called Tories (after the majority party in Parliament).
- An estimated 20-30% of the colonial population joined the Loyalist side (about 520,000-780,000 people).
- Almost 60,000 American Tories fought and died next to British soldiers, supplied them with arms and food, and joined in raiding parties that pillaged Patriot homes and farms.

Us History 20multiple Choice Answer Key Introduction

In today's digital age, the availability of Us History 20multiple Choice Answer Key books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Us History 20multiple Choice Answer Key books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Us History 20multiple Choice Answer Key books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Us History 20multiple Choice Answer Key versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Us History 20multiple Choice Answer Key books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Us History 20multiple Choice Answer Key books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Us History 20multiple Choice Answer Key books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Us History 20multiple Choice Answer Key books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Us History 20multiple Choice Answer Key books and manuals for download and embark on your journey of knowledge?
