

US THEMATIC ESSAY TOPIC #1/20

CHANGE – CONSTITUTIONAL AMENDMENTS

Example 1 – The 13th Amendment (1865) ... read more in Unit 16!

THESIS – "One constitutional amendment that had a major impact on U.S. history was the 13th amendment, ratified in 1865."

TASK #1 – The North had initially entered the Civil War with the goal of preserving the Union. President Lincoln's Emancipation Proclamation freed slaves, but only in states that had seceded (left the Union). No longer could human beings be considered property under the 5th amendment as they had been in the Dred Scott decision. The influence of the Abolitionist movement and Uncle Tom's Cabin spread the idea that slavery was morally wrong and evil. The 13th amendment was needed to ban slavery in every state because the Emancipation Proclamation only freed them in some states. It was passed after the Union victory in the war.

TASK #2 – The 13th amendment destroyed the slave-based economy in the South. The agricultural South had to find new ways to run plantations. Ex-slaves were forced to enter the sharecropping system. This tied them to the land again by creating a cycle of debt and poverty. African-Americans were free, but were now treated like second-class citizens. Former slaves were treated like peasants.

Example 2 – The 18th Amendment (1919) ... read more in Unit 20!

THESIS – "One constitutional amendment that had a major impact on U.S. history was the 18th amendment, adopted by Congress in 1919."

TASK #1 – The Women's Christian Temperance Union formed in the late 1800s because many citizens saw alcohol abuse as a major cause of many problems in society, such as poverty and domestic violence against women and children. The temperance movement wanted to ban alcohol consumption (use). Increasing industrialization caused business leaders to support a ban on alcohol because they did not want drunk workers. The W.C.T.U., religious leaders & businessmen pressured the government to ban the sale and consumption of alcohol.

TASK #2 – The 18th amendment banned the consumption of alcohol and led to a 14-year period known as prohibition. Many Americans ignored the law and made bathtub gin or attended speakeasies (secret bars). Organized crime increased greatly, like the mafia, which profited from selling illegal alcohol. The 18th amendment was repealed by the 21st amendment, the only time an amendment was overturned. Prohibition proved that social attitudes can make laws very difficult to enforce.

Psychology of a Superpower Christopher Fettweis,2018-05-15 With the collapse of the Soviet Union the United States was left as the world s sole superpower which was the dawn of an international order known as unipolarity The ramifications of imbalanced power extend around the globe including the country at the center What has the sudden realization that it stands alone atop the international hierarchy done to the United States In *Psychology of a Superpower* Christopher J Fettweis examines how

unipolarity affects the way U S leaders conceive of their role make strategy and perceive America s place in the world Combining security strategy and psychology Fettweis investigates how the idea of being number one affects the decision making of America s foreign policy elite He examines the role the United States plays in providing global common goods such as peace and security the effect of the Cold War s end on nuclear weapon strategy and policy the psychological consequences of unbalanced power and the grand strategies that have emerged in unipolarity Drawing on psychology s insights into the psychological and behavioral consequences of unchecked power Fettweis brings new insight to political science s policy analysis toolkit He also considers the prospect of the end of unipolarity offering a challenge to widely held perceptions of American indispensability and asking whether the unipolar moment is worth trying to save Psychology of a Superpower is a provocative rethinking of the risks and opportunities of the global position of the United States with significant consequences for U S strategy character and identity Solution Protocols to Festering Island Disputes Godfrey Baldacchino,2017-04-28

Since the coming into force of the United Nations Law of the Sea states have been targeting outlying islands to expand their exclusive economic zones simultaneously stirring up strident nationalism when such plans clash with those of neighbouring states No such actions have brought the world closer to the brink of war than the ongoing face off between China and Japan over the Diaoyu Senkaku islands an uninhabited archipelago in the East China Sea In this timely and original book Godfrey Baldacchino provides a detailed exploration of seven tried and tested solution protocols that have led to innovative win win solutions to island disputes over the last four centuries A closer look at the circumstances and processes that brought contending regional powers to an honourable even mutually advantageous settlement over islands provides a convincing and original argument as to why the conflict over the Diaoyu Senkaku islands need not conclude in a zero sum or winner takes all solution as is the likely outcome of both open conflict and international arbitration The book will be of interest to scholars and practitioners concerned with the festering Diaoyu Senkaku dispute as well as students scholars and policy specialists in geography geopolitics international relations conflict studies island studies Asian studies and history **Generation**
