Tax administration impact of compliance and collection program declines on taxpayers. , 2002 For the last several years Congress and others have been concerned about declines in the Internal Revenue Service s IRS compliance and collection programs Many view these programs such as audits to determine whether taxpayers have accurately reported the amount of taxes that they owe and collection follow up with taxpayers who have not paid what is owed as critical for maintaining the public s confidence in our tax system Taxpayers willingness to voluntarily comply with the tax laws depends in part on their
