UPSC asks questions from economics environment History or from polity it makes conscious efforts to link the subject to a current affair topic It thus becomes an imperative for us to know what the term current affairs really mean from UPSC point of view You can get a proper understanding through the analysis of the previous year question papers If we examine the question papers from 2013 onwards till 2019 preliminary exam almost close to 50 60% of the questions were asked from topics that are of current relevance The number of questions based on Current Affairs varies from year to year The logic behind such a shift in the pattern of question papers explains the intent of UPSC and its quest to have brightest minds to govern the country However for the quest to be fruitful it would be appropriate from the part of UPSC to examine the candidate s awareness about the society in which he is living Static knowledge would prove inefficient for such an analysis Society is dynamic and is subjected to changes A Civil Servant should have the skills of a barrister and also that of a diplomat in order to cope with the changing society and also show the cognitive skills to coordinate mobilize arguments and achieve consensus in regard to the execution of his duty This analytical nature of the duty demands the UPSC aspirants to have an analytical mind and awareness of the society [upscexam2020](#) [iasexam2020](#) [iastrendingtopics](#) [upsc trendingtopics](#) [iasexam2020currentaffairs](#) [upscexam2020currentaffairs](#) [topicsprelims2020](#) [topicsmainsexam2020](#) **UPSC IAS Prelims 2020 GS Paper-1 Test 1-40** R P Meena, UPSC IAS Prelims 2020 Solved Test Paper 1 40 The UPSC IAS Preliminary Test is by far the most challenging stage of the Civil Services Examination with nearly 5 lakh candidates taking the test each year After GS Paper 2 CSAT was made qualifying in 2015 the GS Paper 1 has assumed greater significance in deciding the success of a candidate in the Preliminary Test which seeks to eliminate non serious candidates from entering the Main Examination With mere 100 questions deciding your entry into the Main Examination the room for error in this stage is minuscule In addition to changes in the pattern of Preliminary Test GS Paper 1 is subjected to frequent changes in terms of the nature of the questions that appear in it While the GS 1 paper from 2010 2014 focused on the conceptual understanding in conventional areas in 2015 and 2016 the emphasis was on factual current events On the other hand the 2017 2018 and 2019 papers tested the creative intelligence and problem solving skills of the candidates The GS Paper 1 from 2017 19 was an interesting mix of questions ranging from epistemological understanding of important political underpinnings like liberty equality etc to most contemporary issues like Google tax AI Block chain technology UPI etc Keeping in view the web of complexities the Exam can throw at you we are striving to keep abreast with the dynamics of the Preliminary Test UPSC Prelims 2020 Test 1 40 For simplicity preparation for the upsc preliminary test can be divided into number of stages The initial stages involve concept building and syllabus coverage followed by organizing the study material and revision it has the distinction of consistently delivering in this stage of your preparation through the online test programme current affairs related upload publications and yellow books study material Besides our recent initiatives like current affairs Yearbook 2020 online student portal monthly recitals summaries of magazines etc provide year round additional support for continuous
