Unit 3 – Making a Living

- 1 a) A. cleaner E teacher
B. florist F barber
C. cameraman G vet
D. decorator

b) (Suggested Answer Key)

- The cameraman would probably be paid well if the film he was working on was predicted to be a box office success.
- I would find the teacher's job more challenging than the others because you need a lot of patience to teach. I can also imagine the satisfaction you might get when you realise that your pupils finally understand the difficult aspects of the lesson.
- The vet's job would be extremely interesting for me as I've always loved animals and am especially interested in all aspects of wildlife.
- The decorator's job would be too repetitive for me. Imagine doing the same thing day in, day out! It must be very tiring too, looking up and down at ceilings and walls for hours on end!
- The most boring job would probably be the barber's job. The only thing that might reduce the boredom would be chatting with customers.

- c) A: I would certainly consider being a florist, as I love the idea of working with beautiful colours and shapes to create unusual designs.
B: I'm not so sure. I'm not really an arty sort of person, you see.

A: I would certainly not consider being a cleaner, simply because I have enough to do cleaning my own house never mind cleaning other houses!

B: I agree. It's very hard work.

- 2
- follow your dreams
 - change your plans
 - step into sb's shoes

(Suggested Answer Key)

- I've always believed that it is important to follow your dreams and not be influenced by others who might want to lead you along a different path.
- At first I wanted to become a journalist, but then I changed my plans and finally became an English teacher.
