and abroad through a focus on history culture and popular media **Because They Hate** Brigitte Gabriel,2024-07-02
Brigitte Gabriel lost her childhood to militant Islam In 1975 she was ten years old and living in Southern Lebanon when militant Muslims from throughout the Middle East poured into her country and declared jihad against the Lebanese Christians Lebanon was the only Christian influenced country in the Middle East and the Lebanese Civil War was the first front in what has become the worldwide jihad of fundamentalist Islam against non Muslim peoples For seven years Brigitte and her parents lived in an underground bomb shelter They had no running water or electricity and very little food at times they were reduced to boiling grass to survive Because They Hate is a political wake up call told through a very personal memoir frame Brigitte warns that the US is threatened by fundamentalist Islamic theology in the same way Lebanon was radical Islam will stop at nothing short of domination of all non Muslim countries Gabriel saw this mission start in Lebanon and she refuses to stand silently by while it happens here Gabriel sees in the West a lack of understanding and a blatant ignorance of the ways and thinking of the Middle East She also points out mistakes the West has made in consistently underestimating the single mindedness with which fundamentalist Islam has pursued its goals over the past thirty years Fiercely articulate and passionately committed Gabriel tells her own story as well as outlines the history social movements and religious divisions that have led to this critical historical conflict Become Who You Were Born to Be Brian

Souza,2007-04-10 Do you ever feel burned out beat up or just plain bored wondering Is this all there is Do you ever feel trapped in a stressful job that leaves you unhappy and unsatisfied Do you ever question if you re doing what you re supposed to be doing if you re fulfilling your life s purpose If so you are not alone Like millions of Americans Brian Souza found himself in this precarious position a few years back Despite attending dozens of motivational seminars and devouring the best the self help industry had to offer Souza was left wanting more The turning point came when he finally realized it wasn t artificial motivation he was after he was really searching for a legitimate reason to be motivated Thousands of hours of research and countless interviews later Souza finally uncovered the secrets he was looking for all along Just as musicians must make music poets must write and artists must paint we all have a unique gift designed for a specific vocation that will bring both meaning and purpose to our lives True joy and happiness will continue to elude us until we use that gift to become who we were born to be Become Who You Were Born to Be is a blueprint for discovering your unique gift and using it to realize your personal and professional potential Souza s program for achieving success in all areas of life reveals Four steps to discovering your gift uncovering your passion and unlocking your purpose How to overcome fears and deal with change How to work passion into your profession Why a midlife crisis should be celebrated How to stop stressing and start living How to diagnose and fix flawed life patterns The untold secrets of top achievers To illustrate his life changing philosophy Souza relates true stories of everyday people and world famous celebrities including Lance Armstrong Amy Tan Sylvester Stallone Garth Brooks and Oprah Winfrey who became heroes by overcoming adversity and squeezing every ounce of opportunity from their gifts

The Israel Lobby and U.S. Foreign Policy John J. Mearsheimer, Stephen M. Walt, 2007-09-04 Originally published in 2007 The Israel Lobby and U S Foreign Policy by John Mearsheimer of the University of Chicago and Stephen M Walt of Harvard s John F Kennedy School of Government provoked both howls of outrage and cheers of gratitude for challenging what had been a taboo issue in America the impact of the Israel lobby on U S foreign policy A work of major importance it remains as relevant today as it was in the immediate aftermath of the Israel Lebanon war of 2006 Mearsheimer and Walt describe in clear and bold terms the remarkable level of material and diplomatic support that the United States provides to Israel and argues that this support cannot be fully explained on either strategic or moral grounds This exceptional relationship is due largely to the political influence of a loose coalition of individuals and organizations that actively work to shape U S foreign policy in a pro Israel direction They provocatively contend that the lobby has a far reaching impact on America s posture throughout the Middle East in Iraq Iran Lebanon and toward the Israeli Palestinian conflict and the policies it has encouraged are in neither America s national interest nor Israel s long term interest The lobby s influence also affects America s relationship with important allies and increases dangers that all states face from global jihadist terror The publication of The Israel Lobby and U S Foreign Policy led to a sea change in how the U S Israel relationship was discussed and continues to be one of the most talked about books in foreign policy

Weapons Proliferation and War in the Greater Middle East Richard L. Russell, 2007-05-07 This important new book explores the strategic reasons behind the proliferation of nuclear biological and chemical weapons as well as ballistic missile delivery systems in the Greater Middle East It examines the uses and limitations of chemical weapons in regional combat ballistic missile warfare and defenses as well as Iran s drive for nuclear weapons and the likely regional reactions should Tehran acquire a nuclear weapons inventory This book also discusses Chinese assistance to WMD and ballistic programs in the Greater Middle East Finally this book recommends policy options for American diplomacy to counter the challenges posed by WMD proliferation This essential study prepares the ground for the challenges facing the international community Richard Russell is a professor at the National Defense University s Near East South Asia Center for Strategic Studies in Washington DC He also teaches at the Security Studies Program at Georgetown University He previously served as a political military analyst at the CIA

Suited Themselves Sharon Beder, 2012-06-25 In this brilliantly researched expos communications Rottweiler Sharon Beder blasts open the backrooms and boardrooms to reveal how the international corporate elite dictate global politics for their own benefit Beder shows how they created business associations and think tanks in the 1970s to drive public policy forced the worldwide privatization and deregulation of public services in the 1980s and 1990s enabling a massive transfer of ownership and control over essential services and still not satisfied have worked relentlessly since the late 1990s to rewrite the very rules of the global economy to funnel wealth and power into their pockets Want a globalized and homogenized world of conflict poverty and massive environmental degradation run by a corporate oligarchy that wipes its feet on democracy Or a

democratic world where poverty is history companies work for people and clean water is a right not a privilege you pay for Beder's message is clear it's your world and it's time to fight for it **Between Peril and Promise** J. Martin

Politically Incorrect Guide to Immigration John Zmirak, Al Perrotta, 2018-05-21 America's immigration crisis is out of control Unregulated immigration has led to an increase in crime a loss of working class jobs an inflated welfare state and an elevated amount of terror threats on our home territory The clash of differing emotions facts and opinions reveal that this issue is not simply a nationwide disagreement it is an American crisis In *The Politically Incorrect Guide to Immigration* authors John Zmirak and Al Perrotta debunk the Left's most deceptive myths on this complex policy issue and reveal the huge implications that lie ahead for our nation's future Zmirak and Perrotta set the record straight on the history of American immigration uncover the principles with which our forefathers migrated to America affirm the respect with which migrants should treat our country if they wish to live here and assert real solutions to the immigration crisis America faces *The Politically Incorrect Guide to Immigration* equips readers with real life statistics and information and is packed with targeted arguments to help convince even the staunchest advocates for open borders that America needs to build The Wall You may think you know all about immigration but in *The Politically Incorrect Guide to Immigration* you'll learn Building The Wall would cost less than half of what we spend to educate illegal immigrants every year Illegal immigration costs American taxpayers 116 billion a year 62% of naturalized immigrants are for the Democrats only 25% are for the Republicans Competition from immigrants costs American worker 450 billion a year The Founders wanted to admit only immigrants who would make a net contribution and assimilate Millions of nineteenth century immigrants who couldn't make it in America went back home The percent of foreign born in the United States today is the highest since World War I and this time we're not doing Americanization After Reagan's 1986 Amnesty the illegal population went from 3.2 million to 11 million Over 700,000 foreign visitors to the United States in 2016 overstayed their visas Eighty percent of Central American women and girls who enter the United States illegally are raped along the way Non citizens are only 9 percent of our population but 27 percent of federal prisoners One hundred forty seven million more people from around the world would like to move to the United States

Cultural Citizenship Toby Miller, 2007 What does it mean to be a citizen today in an age of unbridled consumerism terrorism militarism and multinationalism In this passionate and dazzling book Toby Miller dares to answer this question with the depth of thought it deserves Fast moving and far ranging *Cultural Citizenship* blends fact theory observation and speculation in a way that continually startles and engages the reader Although he is unabashedly liberal in his politics Miller is anything but narrow minded He looks at media coverage of September 11th and the Iraq invasion as well as infotainment such as Food and Weather channels to see how U.S. TV is serving its citizens as part of the

global commodity chain Repeatedly revealing the crushing grip of the invisible hand of television Miller shows us what we have given up in our drive to acquire and to belong For far too long cultural citizenship has been a concept invoked without content With the publication of this book it has at last been given flesh and substance Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 Society in Focus An Introduction to Sociology Ninth Edition emphasizes how society and social forces affect everything from globalization and international policies to day to day activities in our personal lives In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts To focus increased attention on sociological thinking and research methods they have chosen four key themes media and technology globalization cultural diversity and trends for the future Because sociology is about all of us and our daily lives it is an eminently practical and useful discipline for understanding our social world This Ninth Edition Includes specific student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories

From Pablo to Osama Michael Kenney, 2007-02-28 *From Pablo to Osama* is a comparative study of Colombian drug smuggling enterprises terrorist networks including al Qaeda and the law enforcement agencies that seek to dismantle them Drawing on a wealth of research materials including interviews with former drug traffickers and other hard to reach informants Michael Kenney explores how drug traffickers terrorists and government officials gather analyze and apply knowledge and experience The analysis reveals that the resilience of the Colombian drug trade and Islamist extremism in wars on drugs and terrorism stems partly from the ability of illicit enterprises to change their activities in response to practical experience and technical information store this knowledge in practices and procedures and select and retain routines that produce satisfactory results Traffickers and terrorists learn building skills improving practices and becoming increasingly difficult for state authorities to eliminate The book concludes by exploring theoretical and policy implications suggesting that success in wars on drugs and terrorism depends less on fighting illicit networks with government intelligence and more on conquering competency traps traps that compel policy makers to exploit militarized enforcement strategies repeatedly without questioning whether these programs are capable of producing the intended results
