The Critical Phenomenology of Intergroup Life Evandro Camara,2020-12-04 This book is dedicated to a critical analysis of race relations and inequality through the prism of Schutzian social phenomenology which focuses on the world of intersubjectivity and the complex of meanings that orient the conduct of individuals and groups The phenomenological approach provides a more intimate look at how the societal imposition of negative racial meanings on racialized persons crucially determines the construction of the minority subjectivity as essential otherness thus becoming a pivotal support of race based inequality

Global Powers Ralph Schroeder,2016-04-21 A critical assessment of Michael Mann s powerful work and ideas on contemporary globalisation

More Than a Doctrine Randall Fowler,2018-05 Given on January 5 1957 the Eisenhower Doctrine Address forever changed America s relationship with the Middle East In the aftermath of the Suez Crisis President Dwight D Eisenhower boldly declared that the United States would henceforth serve as the region s protector of freedom against Communist aggression Eighteen months later the president invoked the Eisenhower Doctrine landing troops in Lebanon and setting an enduring precedent for U S intervention in the Middle East How did Eisenhower justify this intervention to an American public wary of foreign entanglements Why did he boldly issue the doctrine that bears his name And most important how has Eisenhower s rhetoric continued to influence American policy and perception of the Middle East Randall Fowler answers these questions and more in *More Than a Doctrine* With the expansion of America s global influence and the executive branch s power presidential rhetoric has become an increasingly important tool in U S foreign policy nowhere more so than in the Middle East By examining Eisenhower s rhetoric *More Than a Doctrine* explores how the argumentative origins of the Eisenhower Doctrine Address continue to impact us today

Capitalism: A Graphic Guide Dan Cryan,Sharron Shatil,2019-06-20 Capitalism shapes every aspect of our world beyond just our economic structures it moulds our values and influences the way we write laws wage wars and even conduct personal relationships From its beginnings to the present day *Capitalism A Graphic Guide* tells the story of capitalism s remarkable and often ruthless rise evolving through strife and struggle as much as innovation and enterprise This non fiction graphic novel explores the key developments that have shaped our modern world from early banking to the Opium Wars financial crashes the rise of service economies and concerns about sustainability It also introduces us to the leading proponents and critics of capitalism providing both a theoretical and practical understanding of this fascinating subject

A Legacy of Conquest: The Fateful Encounter Between Two Worlds Pasquale De Marco,2025-07-10 In the annals of history few events loom as large and consequential as the conquest of the Aztec Empire by Hern n Cort s and his conquistadors This epic clash of civilizations unfolding in the early 16th century forever altered the course of history leaving an indelible mark on the Americas and the

world beyond A Legacy of Conquest The Fateful Encounter Between Two Worlds takes readers on a captivating journey through this pivotal moment in history With vivid prose and meticulous research this book delves into the intricate tapestry of events that led to the Spanish conquest exploring the motivations strategies and consequences that shaped this transformative era At the heart of the narrative is Hern n Cort s a daring and ambitious conquistador whose quest for wealth and glory propelled him across the Atlantic Ocean and into the heart of the Aztec Empire Cort s s arrival in Mesoamerica ignited a clash of civilizations pitting the Spanish with their advanced weaponry and insatiable greed against the Aztecs a powerful and sophisticated civilization with a rich cultural heritage and a fierce warrior tradition The book vividly portrays the epic battles political intrigue and cultural encounters that unfolded during the conquest Readers will witness the Spanish conquistadors driven by their own beliefs and desires clash with the Aztec warriors fiercely defending their homeland and their way of life The consequences of this encounter were profound and far reaching leaving a legacy that continues to shape the world today A Legacy of Conquest is more than just a historical account it is an exploration of the human experience in the face of adversity a meditation on the complexities of cultural interaction and a cautionary tale about the devastating consequences of greed and imperialism Through its rich storytelling and insightful analysis this book offers a fresh perspective on one of history s most consequential events If you like this book write a review

The Sociology of Globalization Luke Martell,2016-12-16 The new edition of this accessible and wide ranging book demonstrates the distinctive insights that sociology has to bring to the study of globalization Taking in the cultural political and economic dimensions of globalization the book provides a thorough introduction to key debates and critically evaluates the causes and consequences of a globalizing world Bringing the discussion right up to date the new edition includes an increased emphasis on the rise of China the aftermath of the financial crisis and austerity the benefits of migration and open borders and the changing structure of global inequality Data and literature have been updated throughout the book with new sections on global cities the environment and international protests and expanded discussion of gender Martell argues that globalization offers many opportunities for greater interaction and participation in societies throughout the world for instance through the media and migration but also has dark sides such as conflict global poverty climate change and economic insecurity This book will continue to be an ideal companion to students across the social sciences taking courses that cover globalization and the sociology of globalization in particular

Darwin's Coral Atoll John B. Lewis,2013 Darwin s Coral Atoll is the colourful history of a remote coral atoll in the Indian Ocean of its rise and emergence from the sea of its organic growth and natural history and of its human settlement In spite of its insignificant size it has attracted the attention of Charles Darwin and many

other biologists and was for a time the seraglio of a degenerate adventurer

Introducing Capitalism Dan Cryan, Sharron Shatil, 2014-06-05 Capitalism now dominates the globe both in economics and ideology shapes every aspect of our world and influences everything from laws wars and government to interpersonal relationships Introducing Capitalism tells the story of its remarkable and often ruthless rise evolving through strife and struggle as much as innovation and enterprise Dan Cryan and Sharron Shatil with Piero's brilliant graphics cover the major economic social and political developments that shaped the world we live in such as the rise of banking the founding of America and the Opium Wars The book explores the leading views for and against including thinkers like Adam Smith Karl Marx Theodor Adorno and Milton Friedman the connections between them and their historical context Few ideas have had as much impact on our everyday lives as capitalism Introducing Capitalism is the essential companion

The Sociology of War and Violence Siniša Malešević, 2010-06-10 War is a highly complex and dynamic form of social conflict This book demonstrates the importance of using sociological tools to understand the changing character of war and organised violence The author offers an original analysis of the historical and contemporary impact that coercion and warfare have on the transformation of social life and vice versa Although war and violence were decisive components in the formation of modernity most analyses tend to shy away from the sociological study of the gory origins of contemporary social life In contrast this book brings the study of organised violence to the fore by providing a wide ranging sociological analysis that links classical and contemporary theories with specific historical and geographical contexts Topics covered include violence before modernity warfare in the modern age nationalism and war war propaganda battlefield solidarity war and social stratification gender and organised violence and the new wars debate

The Postnational Fantasy Masood Ashraf Raja, Jason W. Africa's Development Impasse Doctor Stefan Andreasson,2013-07-04 Orthodox strategies for socio economic development have failed spectacularly in Southern Africa Neither the developmental state nor neoliberal reform seems able to provide a solution to Africa s problems In *Africa s Development Impasse* Stefan Andreasson analyses this failure and explores the potential for post development alternatives Examining the post independence trajectories of Botswana Zimbabwe and South Africa the book shows three different examples of this failure to overcome a debilitating colonial legacy Andreasson then argues that it is now time to resuscitate post development theory s challenge to conventional development In doing this he claims we face the enormous challenge of translating post development into actual politics for a socially and politically sustainable future and using it as a dialogue about what the aims and aspirations of post colonial societies might become This important fusion of theory with empirical case studies will be essential reading for students of development politics and Africa

Language Standardization and Language Variation in Multilingual Contexts Nicola McLelland,Hui Zhao,2021-11-24 This important contribution to the sociolinguistics of Asian languages breaks new ground in the study of language standards and standardization in two key

ways in its focus on Asia with particular attention paid to China and its neighbours and in the attention paid to multilingual contexts The chapters address various kinds of sometimes hidden multilingualism and examine the interactions between multilingualism and language standardization offering a corrective to earlier work on standardization which has tended to assume a monolingual nation state and monolingual individuals Taken together the chapters in this book thus add to our understanding of the ways in which multilingualism is implicated in language standardization as well as the impact of language standards on multilingualism The introduction Chapter 6 and Chapter 8 are free to download as open access publications under a CC BY NC licence You can access them here Introduction <https://zenodo.org/record/5749388>
