What Is Trening S:

An English-Romanian and Romanian-English Cultural Thematic Dictionary Simona Şimon, Claudia Elena Stoian, 2019-01-08 Globalisation has reshaped the face of the world turning the society in which we live into a multicultural one. In such a new world there is a strong need to master the culture specific vocabulary in the languages we speak. This book will mainly appeal to translators, interpreters, students and other professionals that work in the cultural field or in any other field in which intercultural communication plays an essential role and in which the communication languages are English and Romanian. The dictionary approaches the cultural aspects of today's multicultural society from a broad linguistic perspective focusing on several topics such as cultural ideology, national identity, cuisine, clothing, holidays, language and sports. The general and semi-specialised vocabulary offered here is organised thematically and alphabetically. The book structure, the pairs of languages and the included thematic lists make the dictionary a unique and easy to use tool.

The Language of the Arts and Literature Claudia E. Stoian, 2019-01-18 The arts and literature have always played an essential role in shaping the national identity of people around the world. In order to discover, understand, feel and appreciate the arts and literature of various nations we need to master the local language. This dictionary brings into contact two cultures, namely the English and Romanian ones, by facilitating communication in the fields of visual and performing arts and of literature as well. The Language of the Arts and Literature: An English-Romanian and Romanian-English Dictionary will help translators, interpreters, students and other professionals that work in the field of culture in general and of the arts and literature in particular to communicate in English and Romanian. Designed as an easy to use tool, this book is unique regarding its pair of languages and its broad perspective and innovative structure.
